The San Bernardino County Local Enforcement Agency (LEA), will be holding a public information meeting regarding the proposed SWFP revision for the San Timoteo Landfill on Thursday, February 28, 2013 at 6:00 pm. The LEA received the application for the SWFP revision on December 26, 2012 and accepted the application as complete and correct for filing on February 15, 2013.

The proposed changes in the design and operation include:

- An increase in maximum permitted tonnage from 1,000 tons per day to 2,000 tons per day.
- An increase in daily permitted vehicle trips from 1,052 to 1,092.
- To extend site life from April 2016 to the year 2043. There is no change in the landfill's existing permitted capacity.

The public information meeting is for interested parties to provide comments on the LEA's proposed action. The LEA's preliminary determination is that the SWFP be revised to incorporate the proposed changes. A copy of the application is available for review by contacting Mrs. Jane Troy at (800)442-2283 during regular business hours. If you would like to comment on the project you may do so at the meeting, or you may sent your written comments to the LEA contact listed above.

For information on the appeals process pursuant to Public Resources Code section 44307 to challenge the LEA's issuance or denial of the permit, you may contact Mrs. Jane Troy at (800)442-2283.
