Ovitt Hosts Community Forum in Chino

Chino - County Supervisor Gary Ovitt hosted a community forum Wednesday at the Doris Dickson Elementary School in Chino, to meet with residents and city elected officials to discuss county related issues affecting the community.

"Public safety and infrastructure improvements are a priority in my administration," stated Ovitt. "Over $4 million dollars will be spent on road improvements to provide our children safe passage to and from school. I have further vowed to protect our children and our neighborhoods by supporting law enforcement in their efforts to keep criminals off our streets, and behind bars."

Supervisor Ovitt and County representatives from the Sheriff's Department, Code Enforcement, and Public Works were on hand to present the latest efforts being taken to improve the quality of life in the District. Presentations touched upon specifics regarding the $4 million in road improvements, as well as programs related to public safety, and graffiti and trash removal.

Ovitt stated, "I will continue to fight for this city's fair share of tax dollars to help fund programs that will protect our neighborhoods, schools, and children. I am proud to stand beside the City of Chino to protect the values that we cherish."

Supervisor Ovitt has scheduled a series of community forums in all four cities of the Fourth District throughout the next few months. For more information regarding upcoming community forums in your neighborhood, please contact the District Office at 909-465-1895 or visit Supervisor Ovitt's website at **www.sbcounty.gov/ovitt**.
