Objective

Minimize disposal of sharps waste as household waste

What are Home Generated Sharps?

- Syringes
- Hypodermic needles
- Lancets
- Other sharp objects generated for medical reasons

Sharps Waste not Accepted from:

- Clinics
- Medical Offices
- Dental Offices

Sharps must be in proper containers

Acceptable Containers to Use

- Approved sharps container with biohazard label preferred.
- Rigid plastic container with tight fitting lid, secured with tape.

Location of Disposal Area

Receiving dock (back of Hospital) at Arrowhead Regional Medical Center. Enter off Meridian Avenue. Follow posted signs to disposal area.

Drop-Off Time *Every Wednesday 8:00 a.m. - 11:00 a.m.*
