DROP! COVER! HOLD ON! AT THE COUNTY MUSEUM

Millions of Californians will participate in the Great California ShakeOut, the largest earthquake drill in history, at 10:17 AM on October 17, 2013. The ShakeOut is organized to inspire Californians to get ready for big earthquakes and also practice how to protect ourselves when it happens.

The epicenter of ShakeOut-related activities will be at the San Bernardino County Museum in Redlands from 9 AM to NOON. Please join us for an educational and fun-filled event, during which students will participate in the Drop Cover and Hold On Drill and be treated to an Earthquake Preparedness fair, complete with emergency equipment, emergency responders and earthquake preparedness educational activities.

- Hear remarks by San Bernardino County Board members, fire officials and a representative of the California Seismic Safety Commission
- Visit the Earthquake Preparedness Fair
- Learn the Seven Steps to Earthquake Safety
- Discover "The Science Behind the ShakeOut," with Senior Curator Kathleen Springer

During the ShakeOut event and activities, museum admission fees will be waived.

Teachers! This is a great opportunity to bring your class to the County Museum! Contact Kathleen Springer at (909) 798-8615 or e-mail kspringer@sbcm.sbcounty.gov to find out more!
