SERVICE: 003 - Inspection - Follow Up Inspection
RESULT: 03 - Corrective Action / No Follow up Required
ACTION: 01 - No Further Action Required

BODY ART - BODY ART FACILITY

No Violations Cited

Overall Inspection Comments

This visit is to conduct a re-inspection due to violations observed during the routine inspection conducted on 04-12-13. Most violations have been corrected. However, the IPCP needs to be revised to reflect the operation of this facility and a statement regarding signs and symptoms of infection must be added to the aftercare form used for body piercing.
