STICKS & STONES:

THE FIRST WALKING TOUR

A San Bernardino County Museum Association Field Trip
with Curator of History Michele Nielsen

Friday, May 23, 2008 • 2PM TO 4PM

Vernacular architecture in the wild! Join Curator of History Michele Nielsen for a gallery walk out of the gallery — an afternoon walking tour in a Redlands neighborhood to explore a variety of structures in historical Redlands.

We talk about architecture in our new special exhibit, "Sticks and Stones," but this walk will introduce you to the real stuff! We'll meet in Smiley Park at the corner of Olive Avenue and Parkwood for a stroll past late nineteenth and early twentieth century buildings. At the same time, you'll participate in "field testing" an upcoming Museum Association "Day Trip" quarterly.

This out-of-the-gallery walk is free, but reservations are required so we can prepare enough materials for you. Call LaWanda Avery-Brown at (909) 307-2669 EXT. 225 or Melissa Sanchez at EXT. 250 to reserve a spot.

Comfortable shoes, please, for about two hours and two miles of neighborhood strolling.
