16K994 Reinspection

Compliance Date: Not Specified

Not In Compliance

Reference - HSC

Inspector Comments: A re-inspection was conducted on this date to verify compliance from a previous complaint inspection and subsequent facility closure.

At time of inspection the manager stated that the facility has previously been using Terminix pest control services and has since employed Western Pest Control. The manager stated that in addition to numerous pest control services conducted the facility has been thoroughly cleaned and sanitized and that all damaged food items were removed from the facility.

This facility has been instructed to remove all food products from the facility in order to re-open the store. This store may remain open only on the condition that no food products remain for sale in the facility.

A billable re-inspection will be conducted to determine the vermin infestation has been abated. Contact this department for a re-inspection at (800)442-2283.

Description: Reinspection conducted at this time to determine compliance from prior inspection.
