Dear Kathleen:

This letter serves as a formal request that the City of Adelanto Annexation (LAFCO 3083) be continued until the April 21, 2010 meeting. This will give us time to finalize some options we are looking at to handle the projected revenue short fall.

Thank you for your assistance on the Annexation and for presenting this matter to the Commission.

If you have any questions, please contact me.

Sincerely,

D. James Hart Ph.D.
City Manager
