## **Apple Valley Neighborhood Watch information meeting planned for Jan. 23**

Apple Valley area residents who want to learn more about the benefits of the Neighborhood Watch Program are urged to attend a special meeting organized by First District Supervisor Robert Lovingood's office in collaboration with the Apple Valley Police Department and the High Desert Association of Realtors on Jan. 23 at 6 p.m.

Neighborhood watch is one of the oldest and most effective crime prevention programs in the county. The program aims to bring citizens together in order to make communities, like Apple Valley, safer. The program strengthens communities, heightens awareness of your surroundings and allows neighbors to collaborate with law enforcement representatives.

Representatives from the Citizens on Patrol (C.O.P.S.), Apple Valley Police Department and Supervisor Lovingood's Office are scheduled to attend.

The Neighborhood Watch presentation will begin at 6 p.m. on Tuesday, Jan. 23 at the Apple Valley Conference Center, 14975 Dale Evans Parkway, Apple Valley, CA 92307 (near Town Hall).
