COMMENTS: The city will rezone the property that I live on. This would restrict the ranch life that I come to enjoy living in Oro Grande. This restrict would limit the animals, equipment, and vechiles that I own. I would not be able to expand the property as I plan to do. ~~The City~~ I do not need the services of Victorville, and Victorvill will not provide the services I need.

COMMENTS: I purchased my property in the county area because I didn't want to be within any city limits. I just adds to more Rules and Laws and more Government in my business. It may also lead to zone changes, taking of my property through Immanent domain. Not for the greater good of the public but for taxing agencys & Developers profits.

To Whom It May Concern:

Please leave us alone!!!

I bought property and moved here from Ontario because of Oro Grande's historic nature, rural lifestyle, and lack of governmental buracracy.

I have horses on my land, and I plan to board and train more. My ranch is located along the Mojave River, which lends itself to beautiful trail rides, and a habitat for native plants and animals. I also plan to establish a 501(c)3 non-profit rescue for abused and neglected horses and other animals in need of help. To date, I have rescued over 30 animals using my own funds.

Victorville's leaders have proven their lack of ability to manage any territory they have, or that they have taken over. They have messed up time and time again, and now they want to try it again in Oro Grande!

There is plenty of other land that Victorville can take over for their proposed "Northern Triangle" project.

I find it very sad indeed that a Planning Commission is unable to define Oro Grande's boundaries. All one has to do is utilize all established cities/communities exterior boundaries surrounding Oro Grande.

The citizens of Oro Grande respectfully request for Victorville to leave us out of their sphere of influence and eventual annexation. We do not want Victorvilles' repeated incompetence taking place in our peaceful, rural community.

Please leave us alone!!!
