## Rutherford Seeks Applicants for County Commissions

---

**SAN BERNARDINO**—San Bernardino County Second District Supervisor Janice Rutherford is accepting applications from residents interested in filling vacancies on the Behavioral Health Commission, Senior Affairs Commission, or San Bernardino County Trails Committee.

"The citizen advisory groups appointed by the Board of Supervisors provide valuable insight to the Board and County departments that offer a range of services and programs for our residents," Rutherford said. "I encourage anyone who has the desire to serve and to make a difference in their community to apply for one of these vacancies."

Behavioral Health Commission members review and comment on mental health services provided by the County. No Commissioner or his/her spouse shall be a full-time or part-time employee of a county behavioral health service, an employee of the State Department of Mental Health, or an employee or a paid member of the governing body of a Bronzan-McCorquodale contract agency.

Senior Affairs Commission members make recommendations on how the County can best address the needs of seniors and review existing programs and services for seniors.

San Bernardino County Trails Committee members make recommendations to San Bernardino County Regional Parks regarding the development of a well-balanced trail system that preserves and enhances quality of life in the County.
