Board approves lease agreement with Barstow USD

SAN BERNARDINO- On Tuesday, the Board of Supervisors approved a lease agreement with Barstow Unified School District for classroom and office space and approximately one acre of playground and parking area for the Preschool Services Department in Barstow.

The agreement extends the term of the lease for two years for the period of April 1, 2016 to March 31, 2018.

This issue came up for Board approval due to the continuing need to provide preschool services in the school district.

"The Board remains committed to help children succeed from cradle to career," commented Board Chairman James Ramos. "We are pleased to assist Barstow Unified in their continued development of services for school aged children."
