Chino Hills, CA – Fourth District Supervisor Curt Hagman announced Monday that his District Office is hosting a Meet and Greet Open House. Members of the public are invited to stop by to meet Supervisor Hagman and his team at the Chino Hills District Office on Thursday, April 30, from 5:00 to 7:30 p.m. located at 14010 City Center Drive, Chino Hills.

This is an opportunity for residents to meet their County Supervisor, his staff, and several county services department representatives who will be there to provide information and answer any questions regarding the services offered by the County of San Bernardino.

"Having had the opportunity to serve the public at various levels of government, I understand the importance of having an open door policy. Departments confirmed to be present at the Open House include: County Sheriff, Children and Family Services, ARMC's Breath Mobile, Library Adventure Bus, Aging and Adult Services, Regional Parks, and First 5.
