## **HAGMAN CONFIRMS LEADERSHIP TRANSITION**

San Bernardino, CA – Fourth District Supervisor Curt Hagman announced a change in his leadership team at the County of San Bernardino.

Supervisor Curt Hagman stated, “A decision was made that Chief of Staff Mike Spence’s contract for continued service to the County of San Bernardino will not be renewed. It is my sincere hope and wish that Mike continues to find success in his new endeavors. Mike helped navigate many issues on behalf of taxpayers and constituents in the time that he worked for my office and I sincerely appreciate his efforts in service to the County and the Fourth District.”

Spence has been Chief of Staff to Supervisor Curt Hagman since 2009 when Hagman was a member of the California State Assembly. Spence was then selected to serve as Chief of Staff when Hagman was elected as San Bernardino County’s Fourth District Supervisor.

Hagman continued, “Moving forward, I have selected a new leader to continue assisting me and directing my team to pursue the goals and policies that will benefit residents of San Bernardino County. The name of my new Chief of Staff will be announced at the next board of Supervisors meeting in December.”

Spence’s last day with San Bernardino County was November 11, 2016.
