HAGMAN OPENS SATELLITE OFFICE HOURS IN ONTARIO

Ontario, CA – San Bernardino County Supervisor Curt Hagman today announced he will be establishing regular office hours in Ontario on the first Tuesday of every month at Ontario City Hall beginning Tuesday October 4, 2016.

Ontario Satellite Office hours will be 9 AM to 1 PM on each first Tuesday of the month in the Community Conference Room at City Hall, located at 303 E. B St in Ontario.

“Ontario is the largest city in the Fourth District and the economic engine of San Bernardino County,” observed Hagman. “These new office hours will enable local residents to have better access to my office without having to travel far to receive assistance. My hope is that this option will be a tool that will enable Fourth District residents to stop by for a face-to-face meeting with a caseworker should they need help or have questions,” he continued.

Hagman commented, “I look forward to expediting county services to Fourth District residents, and appreciate the partnership of the Ontario City Council and City Manager for making this possible.”

Supervisor Hagman serves the residents of Ontario, Montclair, Upland, Chino and Chino Hills and currently has a Constituent Services Office located at 14010 City Center Drive in Chino Hills.

Constituents can still contact Supervisor Hagman’s main office in Chino Hills during regular business hours, 9:00 AM to 5 PM Monday thru Friday, and can reach him and his staff at 909.465.5265.

Supervisor Hagman was elected to represent the Fourth Supervisorial District of Ontario, Chino, Chino Hills, Montclair and southern Upland in 2014. Prior to his service on the Board of Supervisors, he served three terms in the California State Legislature. Hagman owns several businesses and is a proud Member of the California State Military Reserve.
