Chairman Hagman Announces Openings for Numerous Residents to Participate in County Government

ONTARIO, CA – San Bernardino County Supervisor Curt Hagman today announced he is accepting applications from residents throughout San Bernardino County to fill vacancies in various boards, commissions, and committees to support county government activities.

“These organizations provide advice, oversight, and governance to a wide variety of departments and operations within the county, and allow members of the public to become involved in the local government process,” noted Hagman. “I’m personally very grateful to all those who take the time to apply and to serve, and review every application carefully.”

Currently there are openings for the following countywide boards, commissions and committees: Assessment Appeals Board, Building and Safety Appeals Board, Emergency Medical Care Committee, Equal Opportunity Commission, In-Home Supportive Services Advisory Commission, Inland Empire HIV Planning Council, Physically Disabled Access Appeals Board, San Bernardino County Health Center Governing Board, Senior Affairs Commission, and the Treasury Oversight Committee.

The above-listed boards are all countywide appointments that the Supervisor will make as Chairman of the Board of Supervisors. There is also one Fourth District specific opening for the West Valley Mosquito and Vector Control District Board of Trustees.

The qualifications to serve on any of these boards, commissions or committees are available at:

Please apply prior to March 1, 2019, so that these boards can be filled and carry on with providing services to the residents of the County.

He and his wife Grace have two children: Jonathan, a recent graduate of UCLA and officer in the Army National Guard, and Elizabeth, a student at Ayala High School.
