

Call to Action: Air Quality & Transportation Regional Conference

Hosted by
South Coast AQMD

Purpose:

- Develop Public-Private Partnerships (P3) to address air pollution and health issues in the transportation and goods movement sector
- Policy discussion for Federal Surface Transportation bill

Who Should Attend:

Elected officials, public agencies, academia, businesses, investment groups, technological industries, coalition partners, public health and environmental groups

Wednesday, October 19, 2011
Millennium Biltmore Hotel
506 South Grand Avenue
Los Angeles, CA 90071
8 a.m. - 4 p.m.

SCAQMD is the air pollution control agency for all of Orange County and the urban portions of Los Angeles, Riverside and San Bernardino counties. This area of 10,743 square miles is home to nearly 17 million people—about half the population of the entire state of California and more than the population of 46 states. It is the second most populated urban area in the United States and one of the smoggiest.
