

# LAW & ETHICS

## For Mental Health and Drug & Alcohol Providers

**TUESDAY APRIL 2 2013**

**9:00 AM – 4:30 PM**

(sign in begins at 8:30am, doors close promptly at 9am)

This will be a six-hour power-point presentation, with questions and discussion during and following each topic. Topics will include a review of new state and federal laws and regulations that affect mental health and substance abuse providers, particularly those who provide services in the public entity setting.

**Upon completion of the course, attendees will be able to:**

- 1) describe new state laws affecting behavioral health providers in 2012, including changes to minor consent laws;
- 2) discuss new federal laws affecting behavioral health providers including an update on proposals to change federal AOD confidentiality laws;
- 3) identify the confidentiality challenges when combining mental health and drug and alcohol services on one team utilizing one record;
- 4) discuss how bed shortages create challenges when applying 5150 and EMTALA regulations;
- 5) define best practices for collaboration with correctional care providers in order to enhance continuity of care for those recently released from the correctional setting; and
- 6) distinguish how dual relationships and boundary issues harm our patients by undermining the therapeutic relationship for them as well as for other clients.
