Training@dbh.sbcounty.gov

At the conclusion of the training, participants will be able to:

- Define at least three (3) key principles of Motivational Interviewing that can be utilized with clients enrolled in a community-based behavioral health treatment program.
- Compare the effectiveness of Motivational Interviewing to traditional medical approaches to counseling clients with substance use problems.
- Describe at least three micro-skills employed during Motivational Interviewing that help clients increase their motivation for change related to their substance use problems.
- Explain how to apply Motivational Interviewing techniques in typical circumstances encountered in behavioral health treatment.
