

Generational Differences in the Workplace

PRESENTED BY CHARLES HOWARD, MSW, PH.D.

At the end of this workshop, participants will be able to:

Identify and describe each individual generation and their respective differences.
Define Generational Cohorts and discuss how it explains the differences between members of today's workforce.

Use Generational Cohorts to describe what events have influenced the development of each of the generational cohorts in today's workforce.

Define the four generational cohorts currently in today's workforce and describe the main characteristics of members of each generational cohort.

Describe the main differentiating factors between members of each generational cohort.

Compile and assess the similarities and differences among generational work styles that bring strength to an organization or raise challenges.

Demonstrate practical strategies for success in a multigenerational workplace.

Suggested Audience: Any DBH and Contract Staff
