MORE OA SEPTEMBER SESSIONS ADDED!!!!

2 Locations Now Available

Registration begins ½ hour prior to start and doors close promptly at the start of training
❖ Attendees must attend the entire training session.

Course Description:

Objective Arts is a secured, proprietary, web-based data collection and reporting system that allows DBH and DBH contractors to provide regular periodic TCOM assessments to measure treatment outcomes of consumers as they participate in various mental health programs. The system includes immediate access to multiple providers, an online measurement tool, individual and collective data sharing, and the ability for users to access/monitor client information while complying with Health Insurance Portability and Accountability Act (HIPAA) of 1996 requirements.
