Good Day, Members of the Behavioral Health Commission:

I am Lois Mergener, the new Program Specialist I for the Department of Behavioral Health – Alcohol and Drug Services (DBH-ADS) Administration. I wanted to take this opportunity to introduce myself so we can, hopefully, start to build a working relationship.

The Department of Behavioral Health – Alcohol and Drug Services Administration is in need of individuals who are members of the Behavioral Health Commission who would be willing to participate in evaluation panels. Participating on an evaluation panel would consist of reviewing proposals submitted by Community Based Organizations for Substance Use Disorder services in the County of San Bernardino.

DBH-ADS will be in the procurement process for new programs in the next year and would like to compile a list of individual members from the Commission who would be interested in participating in the evaluation process. When the time comes to establish a review panel we would be able to contact those individuals who expressed an interest in participating.

Currently, we are in the procurement process for two programs that we anticipate a need to establish an evaluation panel possibly sometime in February – March of 2014.

If you are a member who is interested in being contacted to participate, can you please forward your name, phone number and e-mail address to me at lmergener@dbh.sbcounty.gov.

I look forward to working with the Commission and want to thank you for your time and assistance in this matter.

Sincerely,

Lois Mergener Program Specialist I
