2015 National Innovative Communities Conference

It's All Connected!

Dear Valued Partner:

Partners for Innovative Communities is happy to announce that our Sixth Annual National Innovative Communities Conference is coming to the Inland Empire! This year's conference will be held on June 23rd and 24th 2015 at the Ontario Convention Center. We would be honored to have you join us as part of this one-of-a-kind conference. Connecting with over 1,500 attendees from across the country, this Conference will provide dynamic keynotes, and passionate presentations on proven strategies to address prevention, intervention, violence, bullying, and health food access along with the healthy cities initiatives through policy.

As a vital business or organization in the community, PIC would like to partner with you to provide connections and increased awareness of your business or organization to the hundreds of attendees participating in this year's conference.

2015 will bring a diverse audience from various backgrounds and sectors, including:

- **Local government, key leaders, and decision-makers** – will be offered workshops that provide ways to enact effective, proven strategies and policies for health initiatives, substance abuse, violence, and gangs
- **Providers** – will participate in interactive presentations from leading experts in prevention and early intervention programs
- **Law Enforcement** – will be offered workshops that are targeted specifically for officers working in gangs, drugs, or Alcoholic Beverage Control POST Certification
- **Youth** – will be offered workshops that focus on giving youth a voice in their community by teaching advocacy, community building, and policy development skills

Please see the attached application to participate as a vendor in our Sixth Annual National Innovative Communities Conference. For more information, please contact Julie Duarte at: (909) 982-8641 or julie@we-reachout.org. We look forward to working with your organization for this special event.

Sincerely,

Julie Duarte
PIC Coordinator
