San Bernardino: The County of San Bernardino Department of Public Health, Division of Environmental Health Services (DEHS) will host a Recreational Health Workshop on May 7, 2013, from 1:30 – 4:00 PM. The workshop is free and open to all public pool and spa operators in San Bernardino County. The workshop will be held at the Behavioral Health Auditorium (850 E. Foothill Boulevard, Rialto, CA 92376).

The workshop will be an opportunity for public pool and spa operators to meet regional supervisors and hear more about inspection procedures. Attendees will learn about new signage and construction requirements and other code changes affecting pools/spas. Other topics include common violations during inspections and corrective actions to be taken. DEHS staff will talk about Division updates, including the new public pool/spa inspection scoring system for San Bernardino County.
