

**Brad Mitzelfelt**  
First District Supervisor

We owe our freedom and our security to the selfless sacrifice and heroism of veterans. The courageous men and women who have served in our nation's armed forces deserve our respect and our admiration, and they also must have our assistance in their times of need.

The San Bernardino County Department of Veterans Affairs is here to provide the support veterans have earned, and the Department is committed to helping local veterans obtain access to all the benefits available to them.

As a veteran myself, I hope you will find this pamphlet useful for yourself or a veteran you care about. As always, please feel free to contact my office at (800) 472-8597 if you need my assistance with any County-related matter.
