Contract to Improve El Mirage Road Awarded

SAN BERNARDINO – The San Bernardino County Board of Supervisors today awarded a contract to improve the safety of El Mirage Road in the Adelanto area.

“As the High Desert continues to grow, it is important that we make improvements to roads that are carrying increasing traffic loads,” said First District Supervisor Brad Mitzelfelt, who represents the area. “This is the latest example of our ongoing efforts to make our County roads safer and more driveable.”

The project will smooth out hills and dips to improve sight distance one mile west of Sheep Creek Road. The work is scheduled to begin in mid August and be complete by the end of September.

The \$181,110 contract was awarded to S&S Grading and Paving, Inc. The original cost estimate for the work was \$339,270. The County and other public agencies are seeing bids come in as much as 50 percent under estimates due to the recession.
