

Buffer Zone Protection Program Grant

DESCRIPTION OF MAJOR SERVICES

Since Fiscal Year 2005, the U.S. Department of Homeland Security has funded the Buffer Zone Protection Program (BZPP). The BZPP is designed to provide funding to protect and secure Critical Infrastructure and Key Resource (CI/KR) sites across the country as well as reduce vulnerabilities of these facilities. The program also significantly enhances their protection and deters threats or incidents of terrorism aimed at these facilities. The CI/KR sites are potential terrorist targets, which were identified through a National Review by the Preparedness Directorate Office of Grants and Training of the U.S. Department of Homeland Security. The San Bernardino Operational Area has three critical infrastructure sites that qualified for the Buffer Protection Plan and Vulnerability Reduction Purchase Plan programs in the 2006-07 BZPP grant. Information related to these critical infrastructure sites cannot be released due to the confidentiality of CI/KR facilities.
