

California Grazing

DESCRIPTION OF MAJOR SERVICES

The California Grazing budget unit funds a variety of range improvement projects such as cattle guards, fencing, pipelines, tanks and other water dispensing facilities adopted by the County's Range Improvement Advisory Committee (RIAC). RIAC is comprised of five lessees of federal grazing land and one wildlife representative, and are appointed by the Board of Supervisors. RIAC recommends various grazing improvement projects for funding to the Board of Supervisors. The Bureau of Land Management (BLM), the federal agency responsible for leasing the grazing allotments to the ranchers, reviews the environmental impact of projects. Funding for these projects comes from fees paid to the federal government for grazing rights by ranchers under the provisions of the federal Taylor Grazing Act of 1934. A portion of the grazing fees is distributed back to the County to finance improvements on federal lands. The County acts in a trustee capacity for these funds.
