

## Health Administration

### DESCRIPTION OF MAJOR SERVICES

The role of the Health Administration budget unit is to seek and support opportunities to foster collaboration among the Department of Public Health (PH), Department of Behavioral Health (BH), and the Arrowhead Regional Medical Center (ARMC). The Health Administration provides regular fiscal and policy analysis relating to the operations of these departments. Additionally, Health Administration manages the \$110.5 million Health Administration budget unit, which includes funding for ARMC debt service, health related maintenance of effort costs, and transfers required to obtain federal health care funding.

#### Budget at a Glance

Total Requirements	\$110,534,459
Total Sources	\$95,534,459
Net County Cost	\$15,000,000
Total Staff	2
Funded by Net County Cost	14%

Health care related transactions represented by this budget unit include the Disproportionate Share Hospital (DSH) Supplemental Payments, Realignment AB 8 match, and the County's contribution for ARMC debt service payments.

#### Intergovernmental Transfers for Medi-Cal Managed Care Capitation Rates

This budget unit also includes Intergovernmental Transfers (IGT) to the state to fund increased Medi-Cal managed care capitation rate payments to managed care plans that contract with their respective counties. These IGT's are to be used as the non-federal share of the Medi-Cal managed care capitation rate increases. The IGT Proposal became effective for the rate year October 1, 2008 through September 30, 2009. As with the Disproportionate Share Hospital Funds transfers, the IGT matching contributions to the state, as well as the return of that initial investment is reported within this budget unit.

#### California Medi-Cal Hospital/Uninsured Care Demonstration Project (SB 1100)

Effective July 1, 2005, funding from SB 855 and SB 1255 for the Disproportionate Share Hospital Programs was replaced by SB 1100, California's Medi-Cal Hospital/Uninsured Demonstration Project. The prior SB 855 and SB 1255 programs provided supplemental payments to hospitals serving a disproportionate number of low-income individuals, as well as those licensed to provide emergency medical services and contract with the California Medical Assistance Commission (CMAC) to serve Medi-Cal patients under the Selective Provider Contracting Program.

The new funding system, SB 1100, was designed under a Medicaid (Medi-Cal in California) waiver to fund public and private safety-net hospitals providing care to Medi-Cal and uninsured patients. The hospital financing waiver under SB 1100 is comprised of three elements:

- Medi-Cal Fee for Service, which represents federal funds accounted for directly in the ARMC budget unit, for services provided to Medi-Cal patients;
- Safety Net Care Pool Funds, which provide a fixed amount of federal dollars, also accounted for directly in the ARMC budget unit, to cover uncompensated health care costs, and
- DSH Funds, which continue to be reflected as a matching contribution to the state, and a return of that initial investment, within this budget unit.

#### Realignment and General Fund Support

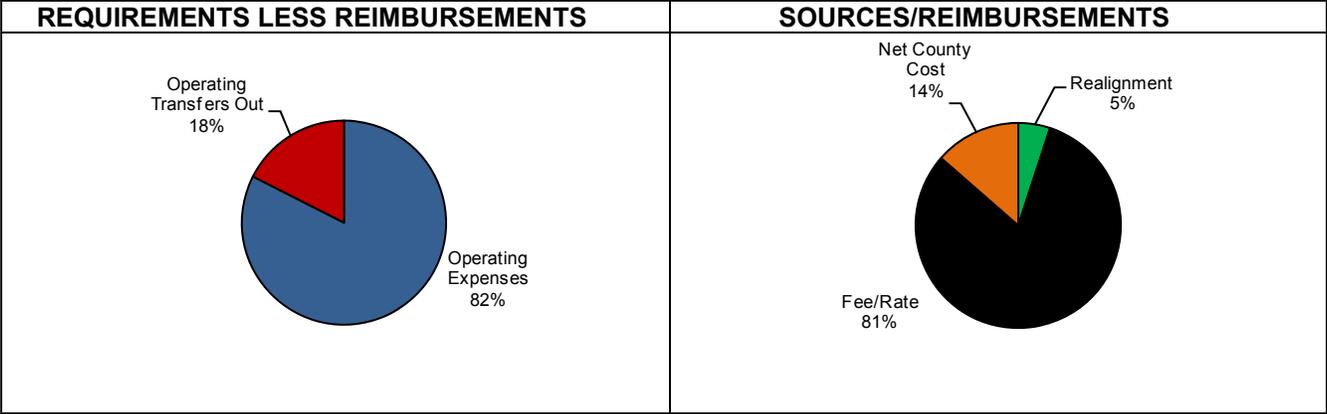

General fund support and realignment funds are used to pay for the ARMC debt service lease payments, Realignment AB 8 match and administrative costs related to this budget unit. To qualify for receipt of Health Realignment funding from the state, the County must contribute a 'match' of local funds. The County's match for 2013-14 is \$4.3 million, which is based on a formula established through AB 8 in 1979. This amount has remained constant throughout the years.

Realignment funds support this budget unit as follows:

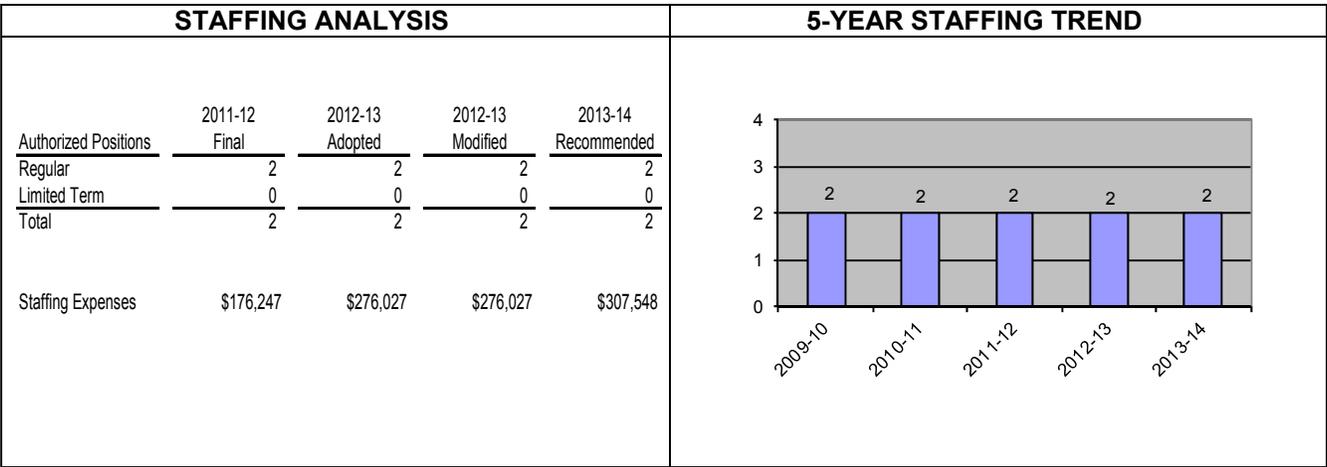

- Mental Health at 10.24% (which covers half of administrative costs).
- Social Services at 2.55% (which covers a share of cost for the 2-1-1 Information System).
- Health at 87.21% (which covers half of administrative costs plus debt service payments).
