Health Administration

DESCRIPTION OF MAJOR SERVICES

The role of the Health Administration budget unit is to seek and support opportunities to foster collaboration among the Department of Public Health (PH), Department of Behavioral Health (BH), and the Arrowhead Regional Medical Center (ARMC). The Health Administration provides regular fiscal and policy analysis relating to the operations of these departments. Additionally, Health Administration manages the \$110.5 million Health Administration budget unit, which includes funding for ARMC debt service, health related maintenance of effort costs, and transfers required to obtain federal health care funding.

Budget at a Glance

Total Requirements	\$110,534,459
Total Sources	\$95,534,459
Net County Cost	\$15,000,000
Total Staff	2
Funded by Net County Cost	14%

Health care related transactions represented by this budget unit include the Disproportionate Share Hospital (DSH) Supplemental Payments, Realignment AB 8 match, and the County's contribution for ARMC debt service payments.

Intergovernmental Transfers for Medi-Cal Managed Care Capitation Rates

This budget unit also includes Intergovernmental Transfers (IGT) to the state to fund increased Medi-Cal managed care capitation rate payments to managed care plans that contract with their respective counties. These IGT's are to be used as the non-federal share of the Medi-Cal managed care capitation rate increases. The IGT Proposal became effective for the rate year October 1, 2008 through September 30, 2009. As with the Disproportionate Share Hospital Funds transfers, the IGT matching contributions to the state, as well as the return of that initial investment is reported within this budget unit.

California Medi-Cal Hospital/Uninsured Care Demonstration Project (SB 1100)

Effective July 1, 2005, funding from SB 855 and SB 1255 for the Disproportionate Share Hospital Programs was replaced by SB 1100, California's Medi-Cal Hospital/Uninsured Demonstration Project. The prior SB 855 and SB 1255 programs provided supplemental payments to hospitals serving a disproportionate number of low-income individuals, as well as those licensed to provide emergency medical services and contract with the California Medical Assistance Commission (CMAC) to serve Medi-Cal patients under the Selective Provider Contracting Program.

The new funding system, SB 1100, was designed under a Medicaid (Medi-Cal in California) waiver to fund public and private safety-net hospitals providing care to Medi-Cal and uninsured patients. The hospital financing waiver under SB 1100 is comprised of three elements:

- Medi-Cal Fee for Service, which represents federal funds accounted for directly in the ARMC budget unit, for services provided to Medi-Cal patients;
- Safety Net Care Pool Funds, which provide a fixed amount of federal dollars, also accounted for directly in the ARMC budget unit, to cover uncompensated health care costs, and
- DSH Funds, which continue to be reflected as a matching contribution to the state, and a return of that initial investment, within this budget unit.

Realignment and General Fund Support

General fund support and realignment funds are used to pay for the ARMC debt service lease payments, Realignment AB 8 match and administrative costs related to this budget unit. To qualify for receipt of Health Realignment funding from the state, the County must contribute a 'match' of local funds. The County's match for 2013-14 is \$4.3 million, which is based on a formula established through AB 8 in 1979. This amount has remained constant throughout the years.

Realignment funds support this budget unit as follows:

- Mental Health at 10.24% (which covers half of administrative costs).
- Social Services at 2.55% (which covers a share of cost for the 2-1-1 Information System).
- Health at 87.21% (which covers half of administrative costs plus debt service payments).

Major expenditures in this budget unit include funding Disproportionate Share and Intergovernmental Transfers to cover Medi-Cal Care and transfers to cover the required local match and debt service lease payments for ARMC. The major revenue is the matching funds from the state to cover Medi-Cal Managed Care capitation rate payment enhancements.

Operating expenses of \$90.9 million are increasing by \$32.9 million primarily to fund increasing DSH Funds and Medi-Cal Care capitation rates.

Operating transfers out of \$19.3 million fund \$4.3 million of realignment local match, which must be transferred into trust, before Health Realignment monies can be directed toward the PH and ARMC budget units to fund health programs, and \$15.0 million of net debt service lease payment for ARMC. Net county cost in this department is funded by the Tobacco Master Settlement agreement and supports the \$4.3 million realignment match and a portion of Medical Center lease payments.

Fee/rate revenue of \$90.0 million is increasing by \$32.9 million due to the reimbursement from the state for increasing DSH Funds and Medi-Cal Care capitation rates.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$307,548 fund 2 budgeted regular positions. There are no changes to budgeted staffing.

Master Settlement Agreement

DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for proceeds received from the tobacco lawsuit Master Settlement Agreement (MSA). In late 1998, a settlement was reached in a lawsuit filed by states against the tobacco industry. In California, the proceeds of the settlement are divided equally between the state and local governments who partnered in the lawsuit. Payments to local governments are based on a formula involving total tobacco sales and each local entity's population.

MAJOR EXPENDITURES AND REVENUE IN 2013-14 RECOMMENDED BUDGET

Contingencies of \$21.9 million are increasing by \$11.7 million based on available fund balance and increased sources.

Operating transfers out of \$17.0 million reflect a transfer to the general fund which is then used to fund the net county cost within the Health Administration budget unit and to offset increased health care costs within the Department of Public Health. Health Administration uses that net county cost to fund the \$4.3 million realignment local match requirement and \$10.7 million of net debt service lease payment for ARMC.

Other revenue of \$18.4 million reflects anticipated revenue from the major tobacco companies to the Master Settlement Agreement fund.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements have increased by \$11.7 million due to additional fund balance available.

Revenues from the Master Settlement Agreement have remained stable over the past four years with the exception of a 'spike' in Fiscal Year 2012-13 due to a settlement regarding the Non-Participating Manufacturers (NPM) Adjustment. The majority of sources will continue to be directed towards ARMC lease payments.

Sources are increasing by \$1.3 million due to increased share of projected sales tax from settlement.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.
