County Library

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Library (Library) provides public library services through a network of thirty two branches in the unincorporated areas and seventeen cities within the County. The Library provides free access to information through its materials collection and offers almost 1,000 public accessible computers for internet, productivity use and browsing the library's online catalog. These public computers also provide access to a number of online databases and other electronic resources. Electronic access to the Library's collection of materials is available through the Internet and daily delivery services provide for materials to be shared among the various branches. The Library's online catalog provides access to over 1 million items. In addition, the Library's OverDrive, 3M Cloud, and Zinio systems allow online access for library patrons to thousands of eBooks, audiobooks, magazines, music, and movies through their tablet, eReader, or web browser.

MAJOR EXPENDITURES AND REVENUE IN 2015-16 ADOPTED BUDGET

Staffing expenses of \$8.1 million fund 293 positions that provide services at 32 library branches and support staff at Library Administration. Operating expenses of \$10.5 million include general operating expenses for branch locations, telecommunication charges for internet access at branch locations, utilities, COWCAP charges, and custodial/maintenance charges. Sources of \$15.6 million primarily represent property tax allocations and library fines and fees collected from patrons. Of the \$7.7 million in Fund Balance, \$1.9 million is comprised of redevelopment dissolution funds being held pending a final disposition.

BUDGET CHANGES AND OPERATIONAL IMPACT

Major changes for the department include an increase in requirements due to the purchase of a new proxy appliance for public and staff internet access and the additions of automated book sorters at the Apple Valley, Chino Hills, and Hesperia branches. Additionally, a loan to finance the construction of the Apple Valley Library in 2001 will be paid off early in 2015-16. Early payoff of this loan will result in interest savings of approximately \$430,000 since this loan was scheduled to be paid off in February 2031. Major revenue changes include an increase in property tax allocations and a decrease in state aid due to the State Library's decision to only provide one-time funding for literary services.

ANALYSIS OF FUND BALANCE

The department will be using fund balance of \$3.7 million in 2015-16 for one-time purchases of equipment and library materials. The current proxy server and web filtering solution has become outdated and need to be replaced. In addition, the department has seen a large increase in circulation, which has led to more items being returned at larger branches. This has necessitated the need for automated book sorters, which will significantly reduce staff time in checking in and sorting materials to be shelved. The department will also be using fund balance to pay off the outstanding balance on the loan taken out to construct the Apple Valley Library, which will remove annual loan payments of approximately \$110,000 per year.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$8.1 million fund 293 budgeted positions of which 281 are regular positions and 12 are limited term positions. The department has requested the addition of two Librarian I positions to assist in the facilitation of the system wide literacy program, cash handling, collection development, Polaris Integrated Library System auditing and catalog maintenance. In addition, operational impacts include the reorganization of 81 staff members with the addition of a Library Region 3. The division was added as the department recruited and filled a vacant Library Regional Manager to oversee the division.
