At more than 20,000 square miles, San Bernardino County is the largest county in the continental United States and provides a vast array of opportunities for its citizens. San Bernardino County is larger than nine different states and boasts an economy that ranks among the 50 largest in the world. As one of the fastest growing metropolitan areas in the United States, this developing region offers its population a temperate climate, a variety of quality educational and recreational facilities, and an ideal centralized location for access to destinations throughout all of Southern California and the southwestern United States.
