(Please note, this list is not all inclusive as many of the providers located in other areas of the County provide services countywide. **Each agency also has limited funding and specific eligibility requirements.**)

Legend

ES = Emergency Shelter

Any facility the primary purpose of which is to provide temporary or transitional shelter for the homeless in general or for specific populations of the homeless. (HUD definition)

DV = Domestic Violence Shelter

Place of temporary refuge and support for women escaping violent situations. Shelter agencies may offer supportive and/or counseling services. Services may vary among agencies.

T = Transitional Housing

A project that has its purpose facilitating the movement of homelessness individuals and families to permanent housing within a reasonable amount of time (usually 24 months). (HUD definition)

P = Permanent Housing

Long-term, community-based housing that has supportive services for homeless individuals with disabilities. This type of supportive housing enables special needs populations to live as independently as possible in a permanent setting. (HUD definition)

C = Case Management

A course of action for a situation and/or program involving an individual and the implementation of such a program.

R = Rental Assistance

Short term assistance paying rent for a dwelling. Assistance will vary among agencies.

U = Utility Assistance

Short term assistance paying utilities such as gas, electric, water, trash. Assistance will vary among agencies.

F = Food Bank

A place where food is contributed and made available to those in need.

SS = Supportive Services

Services that assist homeless participants in the transition from the streets or shelters into permanent or permanent supportive housing, and that assist persons living successfully in housing. (HUD definition)

Services provided to an individual or household to promote well-being and enable them to live as independently as possible.

Supportive Services may vary among agencies and serve specific populations. Some examples of supportive services would be job readiness training, legal services, medical services, education classes (GED), life skills classes, substance abuse treatment, referral services, clothing and/or transportation services.
