Re: San Bernardino County Support for Reappointment of Fran Inman to the California Transportation Commission

Dear Governor Newsom,

On behalf of the San Bernardino County Board of Supervisors, I write to express our full support for the reappointment of Fran Inman to the California Transportation Commission (CTC).

Ms. Inman was appointed to serve on the CTC in 2010 by Governor Schwarzenegger and reappointed in 2014 and 2018 by Governor Brown. She oversees government relations and community affairs for Majestic Realty Co., which is headquartered in Los Angeles County and has extensive holdings throughout Southern California and many other states. Ms. Inman is an expert in the critically important freight logistics and goods movement industry, a cornerstone of our economy and a vital sector during the Covid-19 pandemic. During her time as a Commissioner, Ms. Inman has championed major infrastructure investments to fix congestion bottlenecks and port chokepoints that cause delays and increase costs. She has been a powerful voice in California's business community arguing for across-the-board improvements in mass transit, improved mobility options, and smart planning that reduce carbon emissions and transition the state away from fossil fuels.

Fran Inman is a transportation champion and a key voice from Southern California on these crucial issues. We strongly urge you to reappointment her as a member of the California Transportation Commission. If you have any questions about the County's position, please contact Brad Jensen, Legislative Affairs Director, at (909) 387-4821 or Bradley.Jensen@cao.sbcounty.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Curt Hagman".
