### **HUD - Veterans Administration Supportive Housing**

- On October 1, 2014, the HUD and the U.S. Department of Veterans Affairs announced more than \$62 million to help more than 9,000 homeless veterans find permanent supportive housing.
- San Bernardino County received an additional 65 tenant based vouchers to our local Housing Authority of the County of San Bernardino that will be used in conjunction with the Veterans Administration Loma Linda to provide permanent supportive housing to our most vulnerable of veterans (see attached Report 2A).
- There is a potential for an additional award in the next coming months.

### **Colton Project Connect Participation**

- The Colton Project Connect that was held on September 25, 2014 was a success. With the City of Colton tying the event to their food distribution day we reached out to many individuals and families.
- The following are statistics from the day of the event.
  - Attendees registered – 218 households: 636 individuals within the household, 68 were identified as homeless and 21 were identified as veterans.
- Vendor Results of persons assisted:

### **Supportive Services for Veterans Administration (SSVF) Surge Awards**

- On September 30, 2014, Secretary of Veterans Affairs Robert A. McDonald announced the award of \$207 million in SSVF grants that will help an additional 70,000 homeless and at-risk Veterans and their families.
- The grants will be distributed to 82 non-profit agencies and include “surge” funding for 56 high need communities.
- In conjunction and support from the San Bernardino County CoC, up to 2 nonprofits were eligible to apply for up to \$3 million in surge funding which was in addition to the awards announced on August 11, 2014. The U.S. Veterans Initiative received \$1.5 million in the announcement for services that will be provided over a 3 year period (see attached Report 2B).

### **8th Annual Homeless Summit**

- The 8<sup>th</sup> Annual Homeless Summit will be held next week on Wednesday, November 5, 2014 at the Ontario Convention Center located at 2000 E. Convention Center Way, Ontario, CA 91764, from 10:00 am to 3:30 pm, with check-in beginning at 9:30 am.
- We have reached capacity in terms of RSVP of interested attendees and those registering now are being placed on a waiting list.

### **2014 SSI/ SSDI Outreach, Access, and Recovery (SOAR) Report**

- OHS provided four trainings in 2014. March 24/25, July 14/15, July 28/29, and September 22/23. A total of 66 people were trained on the SOAR method.
- Policy Research Associates (PSA) and SAMHSA, the SOAR sponsors, are encouraging all SOAR trainers to attend the Leadership Academy (online curriculum) in order to transition to the online training for attendees. The new style training allows each participant to train on the SOAR method during an online course designed to mimic an actual SSI/SSDI submission. They are encouraged to complete the process quickly, but have 60 days (the same time period allowed by the Social Security Administration to turn in a completed application from the original filing date) to complete the course in its entirety. The designated SOAR trainer in each community will then follow up with a one day refresher class for any technical assistance and/or answers to questions the participants may have need of.
- Our current goal for upcoming training is to offer a two day class to outlying areas primarily in the Desert areas of Victorville and Morongo Basin communities.

## **Board Agenda Items**

09/23/2014

13. Department of Behavioral Health-This item is an **AMENDMENT TO CONTRACT WITH THE INSTITUTE FOR URBAN INITIATIVES FOR HOMELESS CONSULTING SERVICES** effective September 23, 2014 to Contract No. 13-694 with the Institute for Urban Initiatives , for the provision of homeless consulting services to the County of San Bernardino, in support of the Continuum of Care Homeless Assistance Program, expanding services to include planning for the implementation of the 2-1-1 based centralized intake system, increasing the total contract amount by \$55,000, from \$93,150 to \$148,150, with no change to the contract period from August 30, 2013 through June 30, 2015..

Background: DBH acts in the role of agent on behalf of the Continuum of Care (CoC) in submission of HUD CoC grant application for the County. The Institute for Urban Initiatives (Urban Initiatives) provides consulting services to DBH Office of Homeless Services (OHS) to obtain guidance and technical assistance regarding the HUD competitive grant process, including the newly implemented Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009. For 2013, approximately 3,460 clients were served by programs funded through the HUD CoC grant program. This amendment will allow the Urban Initiatives to provide additional consulting services to assist OHS in planning for the 2-1-1 based coordinated assessment and centralized intake system.

The 2-1-1 based coordinated assessment and centralized intake system was originally presented and approved by HUD for planning funds in 2012. However, due to funding constraints experienced by HUD, planning projects were placed on hold. In 2014, planning

funds were made available and on June 24, 2014 (Item No. 31), the Board approved a grant award from HUD for the CoC Assistant Planning Project to provide funding for DBH's planning project. Procurement for this funding was not viable as the one-year planning process must be completed by June 30, 2015. DBH is recommending amending the contract with Urban Initiatives because they are familiar with our County's CoC process, able to meet the required timeframes, and has satisfactorily provided homeless consulting services to the County in support of the CoC Homeless Assistance Program. DBH will continue to monitor contractor performance on a regular basis to ensure contract compliance standards are met.

Financial Impact: This item does not impact Discretionary General Funding (Net County Cost). This cost for these additional services will not exceed \$55,000 and will be funded with U.S. HUD Planning Project funds.

12. Department of Behavioral Health- This item is an **AMENDMENT TO CONTRACTS FOR MENTAL HEALTH SERVICES ACT INNOVATION – HOLISTIC CAMPUS EVALUATION** for Mental Health Systems Inc., and Victor Community Support Services Inc., for Mental Health Services Act Innovation, Holistic Campus Evaluation extending the contracts an additional 9 months for evaluation purposes and increasing the amounts by \$225, 000 each for a total of \$450,000.

Background: The innovation component of MHSA is expected to produce creative projects that the County designs and implements for a defined time period, as well as an evaluation of the project to develop new best practices in mental health services and supports that address the need to increase access to underserved groups, increase the quality of services and promote interagency collaboration.

The Holistic Campus time-limited project brings together a diverse group of individuals, family members and community providers to create individual-focused resources, networks, and strategies, tailored towards building upon already established cultural strengths. Emphasis is placed on the Holistic Campus providing services within a non-traditional setting closely tied to the community and its resources, rather than in a traditional behavioral health setting. The MHSA Innovative Holistic Campus project and location is expected to be much more accessible, culturally/linguistically competent and relevant, and provide services in a more community friendly setting than what is currently offered in traditional behavioral health clinics that are often stigmatized.

Financial Impact: This item does not impact Discretionary General Funding (Net County Cost).

Presenter: CaSonya Thomas, Director

10/07/2014

15. Department of Behavioral Health – This item is to **ACCEPT GRANT AWARD FROM THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR THE CONTINUUM OF CARE HOMELESS ASSISTANCE PROGRAM** for continued Homeless Management Information System funding, in the amount of \$250,158, for the period of November 1, 2014 through October 31, 2015.

Background: DBH has operated the HUD mandated countywide HMIS, on behalf of the San Bernardino County Continuum of Care (CoC), since March 2013. HMIS is a web-enabled database used by homeless services providers to capture information about the San Bernardino County persons they serve. DBH will use the grant award to continue providing HMIS data and evaluation for the implementation, training, reporting, and technical support services for homeless service providers within the County, CoC, and San Bernardino County Homeless Partnership.

Financial Impact: This item does not require additional Discretionary General Funding (Net County Cost). DBH will meet the required match of \$62,540 through existing Mental Health Services Act funds.

Presenter: CaSonya Thomas, Director

10/21/2014

11. Department of Behavioral Health – This item is a **GRANT APPLICATION TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR THE CONTINUUM OF CARE HOMELESS ASSISTANCE PROGRAM** approving and authorizing the submission of two grant applications to the United States Department of Housing and Urban Development, in the total amount of \$374,321, for the period of November 1, 2015 through October 31, 2016 for: 1) Homeless Management Information System funding, in the amount of \$250,158, and 2) Continuum of Care Planning Project Application funding, in the amount of \$124,163.

Background: The submission of these grant applications will allow DBH to seek funding to maintain the HUD mandated county-wide HMIS, a web-enabled database used by homeless services providers to capture information about the San Bernardino County persons they serve. Additionally, DBH will use the CoC Planning funding to enhance the HUD required activities of the CoC. The grant applications are due by October 30, 2014.

DBH will use the HMIS funds to continue providing HMIS ongoing process and outcome evaluation to homeless service providers within the County of San Bernardino CoC, and the San Bernardino County Homeless Partnership through the implementation, training, reporting, and technical support services within the HMIS. Data is used to capture information regarding homelessness and the effectiveness of local homeless advocacy and policy development that result in targeted services.

DBH will utilize the CoC Planning funding for three key areas to improve the design and carrying out the collaborative process for the application to HUD: 1) Improve the promotion and coordination of the Affordable Care Act within the CoC; 2) Improve efforts with the local housing authorities to prevent and end homelessness within the CoC; and 3) Promote the adoption

within various jurisdictions and agencies of a housing first approach within the CoC geographic area.

Financial Impact: This item does not require additional Discretionary Funding (Net County Cost). HUD requires a minimum of 25% cash and/or in-kind match for the grant applications for the HMIS and CoC Planning Project Application fund (at least \$62,540 and \$31,041 respectively). DBH will meet or exceed the required match through existing MHSA and Human Services funds.

## Minutes for San Bernardino County Homeless Partnership Interagency Council on Homelessness (ICH)

September 24, 2014

9:00 am – 11:00 am

Department of Behavioral Health-Training Institute

1950 South Sunwest Lane, Suite 200

San Bernardino, CA 92415

**Minutes Recorded and Transcribed by Tammy Dickey, Secretary I, Office of Homeless Services**

TOPIC	PRESENTER	ACTION/OUTCOME
Call to Order	Gary Madden	<ul style="list-style-type: none"> <li>The meeting was called to order at 9:03 am.</li> </ul>
Introductions	Gary Madden	<ul style="list-style-type: none"> <li>Introductions were made by all ICH Members. Guests were also invited to introduce themselves.</li> </ul>
REPORTS	PRESENTER	ACTION/OUTCOME
ICH Subcommittee Reports	Chris Rymer  Doug Fazekas	<ul style="list-style-type: none"> <li>No report as the Bylaws and Membership Committee has not yet met.</li> <li>Doug attended a Federal Bank Reserve conference on Tuesday, September 23, 2014 which discussed housing and homeless issues directly related to banks and funding and how they will work with organizations to provide needed resources. He will also provide further analysis of the potential of Social Impact Bonds and how they can assist our community in providing additional affordable housing opportunities.</li> </ul>
Homeless Provider Network	Sharon Green	<ul style="list-style-type: none"> <li>Sharon stated that the Regional Homeless Provider Network (HPN) meetings have been a huge success. Attendance is growing at meetings from the Desert/Mountain, West, East and Central Valley Regions. The Partnership continues to reach out to underlying cities within the County.</li> <li>Quarterly HPN meetings are showing low attendance and as a result quorums have not been established at the last three meetings leaving consent items to be deferred. Recent presentations at the quarterly meetings have been Covered California and Illumination Foundation. (PowerPoints available upon request).</li> <li>Sharon reminded everyone the overall goal is collaboration between the cities in an effort to end homelessness.</li> </ul>
ICH Subcommittee Reports	Molly Wiltshire  Kent Paxton	<ul style="list-style-type: none"> <li>Molly announced the letter of support regarding SB 2653, the Homeless Children and Youth Act of 2014 for Senator Feinstein that was signed by Supervisor Rutherford, Ramos and Gonzales on Tuesday, September 16, 2014. Also included was an ICH Homeless Youth Ad-hoc Committee Report from Supervisor Ramos and information on the California Homeless Youth Project. (Handouts available upon request).</li> <li>Mr. Paxton reported out on the ICH Ad Hoc Policy Development Committee. The ICH Ad Hoc Committee has postponed the meeting due to internal review and the significance it may have in the working relationship between the County of San Bernardino and the cities in the county with regard to homeless issues. Continuum of Care (CoC) funding is a small percentage of what we receive in terms of funding for homelessness. Some cities have their own consolidated plans including ESG home funds. More collaboration is needed in coordinating funds for our city including how we can become more effective with leveraging funding.</li> </ul>
Board Agenda Review	Kent Paxton	<ul style="list-style-type: none"> <li>On August 19, 2014, the Department of Behavioral Health received and accepted a Grant Award (13MHSOAC-TG023) from the Mental Health Services Oversight and Accountability Commission for Crisis Support Services to support the expansion of crisis support services, in the amount of \$7,174,512, for the grant period of July 1, 2014 through June 30, 2017. Please refer to item #31 of the Board Agenda Items for additional information.</li> </ul>

Board Agenda Review, cont.	Kent Paxton	<ul style="list-style-type: none"> <li>On September 9, 2014, the Department of Community Development and Housing received a revenue agreement with Hometown Community Development Corporation for the Homeownership Protection Program commencing on September 9, 2014 and ending December 31, 2017. Please refer to item #31 of the Board Agenda for additional information.</li> </ul>
Legislative Report	Otis Greer	<ul style="list-style-type: none"> <li>Mr. Greer provided a status update on State Legislation that may be of interest to the ICH. (Copies are available upon request).</li> </ul>
Reentry Collaborative Report	Jose Marin	<ul style="list-style-type: none"> <li>In August 2014, the City of Rialto and Fontana presented on their Reentry Collaborative detailing their efforts in assisting those who were recently released from incarceration.</li> <li>Bridging Reentry Integration by Driving Goal-oriented Effective Strategies (BRIDGES is moving forward. The purpose of this program is to provide pre and post release planning services to approximately 90 inmates at the Glen Helen Rehabilitation Center to assist them in reducing recidivism (reentering jail Faith Based Council )(FAC) Capacity Building Purchase Order and Cal State San Bernardino Evaluation Purchase Orders have been executed. # Homeless Management Information System, HMIS, Status

San Bernardino County  
Information Technology & Support Department

# HMIS Background

- Management of the HMIS was assumed by the Office of Homeless Services, OHS, in March of 2012.
- OHS inherited the legacy HMIS System, Adsystech.
- ITSD provided technical support in the transition.

# Legacy HMIS: Adsystech

- Outdated user interface.
- No guidance for completing required actions. Entries were based on the user self navigating by selecting tabs in the system.
- Children could be assigned as the Head of Household (HUD reporting error).
- Some entries were repetitive.
- Down Time: System maintenance was performed during work hours with no prior notice.
- Critical entries could be left blank.

## Family Members Page: Add additional family members

The screenshot shows the ClientTrack interface. At the top, a navigation bar includes 'Welcome Bette Smith', 'Home', 'Clients', 'Settings', 'Help', and 'Sign Out'. Below this, a sub-header for 'Terry Test' displays 'Birth Date: 4/6/1983', 'Gender: Male', and 'ClientID: 9909'. The left sidebar contains a 'Case Management' menu with options like 'Client Dashboard', 'Edit Client', 'Family Members', 'Assessments', 'Enrollments', 'Services', 'Referrals', and 'Case Notes'. The 'Family Members' option is highlighted with a red box. The main content area is titled 'Family Members' and contains instructional text: 'The selected client's family members are displayed below. You may search for existing clients to add to this family or add new clients to the database and associate them with this family.' It also includes a definition of family members and a note about the workflow. Below the text is a table with one record found for 'Terry Test'. The table has columns for First Name, Middle Name, Last Name, Name Quality, Gender, Other Gender, Birth Date, Age, and Birth Date Quality. The first row shows 'Terry', 'Test', 'Full name reported', 'Male', and '04/06/1983'. Below the table is an 'Add Lines' button and a '1' in a box. At the bottom right, there are 'Save' and 'Save & Close' buttons.

The selected client's family members are displayed below. You may search for existing clients to add to this family or add new clients to the database and associate them with this family.

It's important to note that family members are the people who the client is related to. Family isn't always the same as a client's household. According to HUD "[a] household is a single individual or a group of persons who apply together to a continuum project for assistance and who live together in one dwelling unit (or, for persons who are not housed, who would live together in one dwelling unit if they were housed)." (Data Manual)

This workflow will allow you to enroll all family members or select which family members you want to enroll.

Income and Sources, Non-Cash Benefits

Indicate below the client's sources of **monthly** income, non-cash benefits and expenses.

The following instructions are quoted from the HMIS Data Manual:

- When a client has income, but does not know the exact amount, a "Yes" response should be recorded for both the overall income question and the specific source, and the income amount should be estimated.
- Income received by or on behalf of a minor child should be recorded as part of household income under the Head of Household, unless the federal funder in the HMIS Program Specific Manual instructs otherwise. Income should be recorded at the client-level for heads of household and adult household members. Projects may choose to collect this information for all household members including minor children, as long as this does not interfere with accurate reporting per funder requirements. Projects collecting data through client interviews should ask clients whether they receive income from each of the sources listed rather than asking them to state the sources of income they receive.
- Income data should be recorded only for sources of income that are current as of the information date (i.e. have not been specifically terminated). As an example, if a client's employment has been terminated and the client has not yet secured additional employment, the response for Earned income would be "No." As a further example, if a client's most recent paycheck was 2 weeks ago from a job in which the client was working full time for \$15.00/hour, but the client is currently working 20 hours per week for \$12.00 an hour, record the income from the job the client has at the time data are collected (i.e. 20 hours at \$12.00 an hour).

# ClientTrack Workflow

## End of workflow

The screenshot displays the ClientTrack web application interface. At the top, a navigation bar includes the ClientTrack logo, a welcome message for Bette Smith, and links for Home, Clients, Settings, Help, and Sign Out. The version number v. 13 is also visible. Below the navigation bar, the main content area is titled 'Intake' and shows a workflow for 'Terry Test'. The workflow steps are listed on the left: Basic Client Information, Family Members, Program Enrollment, and Terry Test. The 'Terry Test' step is currently selected and highlighted. A red box highlights a message box that says 'You're done!' and 'All required steps have been completed.' Below this message is a 'Finish' button with a green arrow icon and the text 'Close the workflow'. The left sidebar contains a 'Case Management' section with various icons and links: Client Dashboard, Edit Client, Family Members, Assessments, Enrollments, Services, Referrals, and Case Notes. The bottom of the sidebar shows a 'Case Management' icon and label.

## Moving Forward to Action

On September 2007, the Board of Supervisors (BOS) approved the creation of the San Bernardino County Homeless Partnership (Partnership) to provide leadership and strategic planning in an effort to eliminate the root causes of homelessness within San Bernardino County. The Partnership is comprised of representatives from community-based organizations, faith-based organizations, educational institutions, county and city governments, and public and private agencies. Additionally, the Board formed the Office of Homeless Services (OHS) to provide administrative support to the Partnership.

One of OHS's responsibilities is the administration of the Partnership's response to the competitive Notice of Funding Availability (NOFA) for the Continuum of Care Homeless Assistance Program (CoC) through the United States Department of Housing and Urban Development (HUD). The CoC encouraged the establishment of a 10-year plan to end chronic homelessness within its annual application. The Partnership, therefore, developed a 10-year strategy through the 10 Year Planning Committee and sub groups for ending chronic homelessness that establishes specific action steps to achieve the objectives in alignment with the requirements of the NOFA.

The 10-Year Strategy to End Homelessness in San Bernardino County initially included 25 recommendations to assist the Partnership in its efforts to address homelessness in the county. The 10-Year Strategy to End Homelessness in San Bernardino County was presented at various public forums throughout the county in 2009 for public input. The Partnership also presented the Strategy to the BOS, who then adopted a resolution (No. 2009-187) in support of the Strategy.

On April 2013, an evaluation of the Strategy "Recalibrating for Results" was overseen by the San Bernardino County Homeless Provider Network (HPN) committee chairs in cooperation with the OHS and the Institute for Urban Initiatives. The report provide an update to the 10-Year Strategy to End Homelessness in San Bernardino County and was presented to ICH on April 24, 2013. The ICH unanimously approved the results with amendments.

The report noted that the Partnership completed, or partially completed several of the 25 recommendations. As a result, the HPN Committee proposed that some of the original recommendations be continued, expanded upon, or folded into 15 new recommendations. The Committee also recommended that some recommendations be eliminated because they were accomplished or no longer needed. The following are the updated recommendations as noted in the recalibrated report:

- Recommendation 1: Adopt and Implement a Housing First Model
- Recommendation 2: Implement Community Outreach, Engagement, and Treatment for Chronically Homeless Individuals and Families
- Recommendation 3: Obtain Shelter Plus Care Certificates
- Recommendation 4: Increase Permanent Supportive Housing Beds
- Recommendation 5: Carry out Veterans Affairs Supported Housing (VASH) Vouchers
- Recommendation 6: Implement Rapid Re-housing Strategy

## Moving Forward to Action

- Recommendation 7: Target Homeless Prevention Resources and Services
- Recommendation 8: Implement a Community Outreach and Education Campaign concerning at-risk of homelessness
- Recommendation 9: Formalize protocols and improve the coordination of discharge planning
- Recommendation 10: Ensure access to Mainstream Resources
- Recommendation 11: Expand Homeless Management Information System (HMIS)
- Recommendation 12: Conduct periodic Homelessness 101 Training concerning community issues
- Recommendation 13: Implement Coordinated Assessment and Access System
- Recommendation 14: Increase Permanent Affordable Housing
- Recommendation 15: Increase opportunities for employment

According to many leading global management firms, often public or private-based organizations are able to craft successful strategies that identify overarching frameworks for addressing key internal and external issues to guide the organization in a proper direction.<sup>1</sup> The problem arises in the implementation of these strategies. Strategies are useful guides for providing a foundation to help move an organization from where it's at to where it wants to be within a specific time period. A strategy is a solution to a problem, but does not necessarily dictate the steps on how to arrive to the solution. A plan describes the steps needed to move an organization from where it is now to where it wants to be as stated in its strategy. Essentially, a strategy is what you want to accomplish as an organization and a plan details how you will accomplish it.

According to the CEO Challenge Survey, only half of all global companies has a formal plan developed to realize its overall outcomes.<sup>2</sup> One of the key concerns raised by many of our Partnership members is how do we measure the success of the 10-Year Strategy to End Homelessness in San Bernardino County. The problem arises in the fact that the current recommendations are what we need to have in place in order to address homelessness within the county; however there is no clear action steps, short-, medium-, or long-term, that are drafted to get us there. In order to move forward we need to enable our strategies through planning and asset mapping in order to establish deliverables for performance measurement.

In order to address, the need from specific planning steps needed to meet the desired outcomes as stated in the Strategy, the Office of Homeless Services is seeking direction from the Interagency Council to move forward with the development of a 10-Year Strategy Planning document that will detail key actions needed to accomplish our Strategy including tasks, activities, groups responsible, and expected, specific measureable outcomes. This will require a consultant to assist with the planning processes and commitment from Partnership members in the nominal group process. Also, OHS is formally requesting to reevaluation the Policy Ad Hoc Committee for potential permanency.

# Family Stabilization Program

**WELFARE-TO-WORK (WTW)**

# Background of Family Stabilization (FS)

- Family Stabilization (FS) is a new component of the CalWORKs program that provides intensive case management and services to customers who meet the criteria set forth in Assembly Bill (AB) 74.
- Welfare-to-Work (WTW) customers and family members living in the household may be served if a family is experiencing an identified situation and/or crisis that is destabilizing the family and would interfere with a WTW customer's ability to participate in WTW activities and services.

# What is Family Stabilization?

Provides intensive case management (daily/weekly contact) and services to customers who meet certain criteria.

- Designed to:
  - Ensure a basic level of stability within a family prior to, or concurrently with, participation in Welfare-to-Work (WTW) activities.
  - Increase customer success in light of the flexible WTW 24-Month Time Clock through more intensive case management and the assignment of customers to the additional activities or barrier removal services necessary to ultimately achieve self-sufficiency.
- Provided at any point in the WTW Program as long as the Assistance Unit (AU) contains an eligible adult with time remaining on his/her WTW 24-Month Time Clock.
  - FS participation will stop a customer's WTW 24-Month Time Clock for a cumulative total of six months. The clock will not stop for the customer's CalWORKs 48-Month Time Limit.

# Goal of FS

- Address the issues of the Work-Eligible Individual (WEI) and his/her family members to ensure a basic level of stability prior to, or concurrently with, the customer's participation in WTW activities, and
- Assist the WEI customer to achieve self-sufficiency.

# Phase I Services

- **Mental Health Services**
- **Substance Abuse Services**
- **Domestic Violence Services**
- **Assistance with temporary/permanent housing**

# Phase II Services

Phase Two is a parallel effort to expand FS services. Other services will include, but are not limited to assistance with:

- **Court Related Issues**
  - Expungement
  - Court Ordered classes – Parenting/Anger Management/DUI
  - Pending court cases
  - License – regain (child support hold), fees and fines (tickets)
- **Various Needs**
  - Car seats
  - Tattoo removal – ARMC and others
- **County Schools/Community Colleges**
  - HSD/GED – Online options, resource rooms

A Memorandum of Understanding (MOU) is currently being drafted with Arrowhead Regional Medical Center (ARMC) to provide tattoo removal services.

# Population Served

- CalWORKs cases that contain individuals who are required to participate in the Welfare-to-Work (WTW) Program are eligible for Family Stabilization (FS) services.
- FS services are not limited to the aided or work eligible adult and should address FS issues of children in the AU and ineligible unaided AU members.

# Collaboration with DBH

A Memorandum of Understanding (MOU) was developed with the Department of Behavioral Health (DBH) to provide intensive case management services ranging from daily to weekly contact with the customer to address family needs related to:

- Domestic Violence,
- Mental Health issues,
- Substance Abuse issues, and
- Homelessness, using DBH's Rapid Re-Housing Program.
