East Valley Region:

The East Valley Region met through the Morongo Basin (MB) Haven with a total of 19 attendees.

Sharon Cisneros shared some information about the recent focus group that was taken place; the greatest need is finding providers, organizations etc. that are willing to run a shelter. The funds are available.

Elizabeth was on a conference call with Ron Griffin, other HPN providers, and Gary Madden from 211. San Bernardino County has four different regions in which they are all in the same system. All regions are not only coming up with what works for their region but what also works for all Regions together. Ron Griffin will be a possible presenter at the July MB Haven meeting to be held on Friday, July 17, 2015.

Wayne Hamilton provided an update on the Home Energy Assistance Program (HEAP). Changes have been made to the website for easier access. If anyone encounters any issues with the website please contact Wayne. HEAP will be using Reach Out Yucca Valley's office once a month to meet with clients who have appointments to receive services. The first week the location will be in Yucca Valley at the Lutheran Church, second week they will be in Joshua Tree at the Sportsmans Club and the third week will be in Yucca Valley at the Reach Out Yucca Valley office.

Wayne introduced Kathy from Desert Hills Presbyterian Church; Kathy has been a longtime supporter for the homeless. She will be having an outreach homeless dinner and flyers will be passed out to the group. Kathy asked if her information can be added the Morongo Basin Haven website.

Candy updated the group about the vouchers for showers. Sands Motel will not be able to provide showers, but Desert Sky said they can, as well as keep track of who and when. The vouchers cost \$10.00 a shower, MB Haven will provide toiletries along with the voucher. Elizabeth has hygiene kits available. Please call or come by Pacific Clinics if anyone needs some.

Shelley and Elizabeth would like to re-address the group about the rules for bus passes. The bus passes are strictly for the homeless, please do not hand out bus passes to just anyone. An exception can be made if the person is in need. Elizabeth still has \$5.00 McDonalds gift cards, and Stater Bros gift cards that were donated as a gift, however the donor is unknown. Email Elizabeth if anyone needs some.

Collaboration/Coordination Policy Development <ul style="list-style-type: none">• The Continuum of Care (CoC) is increasingly being tied to a number of funding streams, whether state or federal. As such, many homeless and veterans related notices are required as part of the application process to receive CoC support through its governing board, ICH.• In the last year, the CoC through ICH, has been charged with reviewing, approving or supporting applications for funding for various programs such as:<ul style="list-style-type: none">○ State Emergency Solutions Grant applications○ Supportive Services for Veterans and Families (SSVF) (Priority 1 – Surge funding, and Priority 2 – Renewals)○ Veterans Housing and Homelessness Prevention (VHHP) Program (threshold requirements included letter of priority from local CoC)○ Potential for Emergency Food and Shelter Program funding to move under the United States Department of Housing and Urban Development (HUD) in 2016 President's Budget• As such, should ICH create a policy detailing the expectations of ICH's support such as participating in: 1) the Homeless Management Information System(HMIS), 2) a Coordinated Entry System, 3) regular updates/communication to ICH regarding program status, and/or 4) participation in one or more ICH/Homeless Provider Network (HPN) sub-committees.

Continuum of Care (CoC) Registration Notice Update

- On Tuesday, April 28, 2015, the United States Department of Housing and Urban Development (HUD) released a notice that CoC registration for the Fiscal Year (FY) 2015 process was open. The registration closed on Monday, May 18, 2015.
- The registration notice is intended to provide collaborative applicants with the information necessary to register CoCs in preparation for the FY 2015 CoC Program Competition as well as provide HUD's homeless policies and priorities.
- Highlighted Points of the FY 2015 CoC Registration Notice:
 - CoCs may use the reallocation process as stated in Section II.A.2.j. of this Notice to create:
 - new permanent supportive housing projects that serve chronically homeless individuals and families, including unaccompanied youth;
 - new rapid re-housing projects for homeless individuals and families, including unaccompanied youth, coming directly from the streets or emergency shelter or fleeing domestic violence;
 - new projects for dedicated HMIS;
 - or new Supportive Services Only (SSO) projects for centralized or coordinated assessment systems.
 - HUD will continue the Tier 1 and Tier 2 funding process in the FY 2015 CoC Program Competition to promote a more competitive process between CoCs (no other details were provided).
 - CoCs will also have the opportunity to apply for bonus projects (no other details were provided).
 - Collaborative Applicants may request CoC planning costs up to the full 3 percent or \$1,250,000, whichever is less, of the FY 2015 Final Pro Rata Need (FPRN). For San Bernardino County, this adds up to: \$305,672
 - Transitional Housing: Recent research shows that transitional housing is generally more expensive than other housing models serving similar populations with similar outcomes. HUD also recognizes that transitional housing can be an effective tool for addressing certain needs—such as housing for homeless youth who are unable to sign a lease, safety for persons fleeing domestic violence, and assistance with recovery from addiction. HUD strongly encourages CoCs and recipients to carefully review the transitional housing projects within the CoC's geographic area for cost-effectiveness, performance, and for the number and type of eligibility criteria to determine if rapid re-housing might be a better model for the CoC's geographic area.

Continuum of Care (CoC) Registration Notice Update, cont.

- CoC Program-funded projects should, to the extent possible, prioritize veterans and their families who are ineligible for Department of Veterans Affairs (VA) services. When it is determined that a veteran, and their family, is ineligible for VA housing and services has the same level of need as a non-veteran as determined using a standardized assessment tool, the veteran should receive priority.
- CoCs will be required to rank all projects submitted by project applicants in e-snaps—except project applications for CoC planning and UFA Costs—including: renewal and new projects created through reallocation, new bonus projects, and new homelessness prevention projects created by designated High Performing Communities HPC(s).
- This year HUD is rolling out the HPC designation, which is required in the HEARTH Act but to date has not been implemented. The Registration Notice spells out what criteria's are required to be designated as an HPC. Criteria's include such things as having a mean length of homelessness of fewer than 20 days, 5% rate of return to homelessness, full expenditure of past grants, and other factors. Communities designated as HPCs are allowed to use CoC funds for prevention activities for people at-risk of homelessness.
- The process for designating HPCs could impact the timing for release of the Notice of Funding Availability (NOFA), because there is a required public comment period. As per the Registration Notice, communities must submit their documentation in support of their request for HPC status by May 18, 2015. HUD will post these materials for public comment with comments due back to HUD by May 27, 2015. At the conclusion of the comment period, HUD will compile all of the timely comments received and email the comments to the Primary and Secondary Contacts designated for the Collaborative Applicant in the CoC Applicant Profile in e-snaps. Therefore, it is extremely important that Collaborative Applicants, and the CoC, ensure this contact information is accurate. The Collaborative Applicant will have 5 days to provide any information to HUD in response to the comments by June 3. HUD will make a final determination by an unspecified date. Although it is not spelled out in the Notice, it is not likely the NOFA can come out until after the HPC designation process is complete, since the HPC status impacts what types of funds applicants can apply for.

Coordinated Entry System (CES) Update

- The Pilot Project is scheduled to be implemented in June 2015. Once the pilot has been completed, a report will be submitted to ICH detailing the successes, limitations and gaps of the proposed CES.
- The CES Planning Committee estimates a completed report to be submitted to ICH in September 2015.

Homeless Management Information System Update

- The OHS, HMIS section routinely monitors agencies data quality to ensure accuracy and meet HUD standards for data quality maintenance. Attached you will find a copy of the latest HMIS Data Quality Report for the month of April, 2015 (see attached, Report 2A).
- Agency report cards are posted for review on individual agencies participating in HMIS at the following website: <http://www.sbcounty.gov/dbh/sbchp/HMIS.aspx>

CoC Governing Body Membership Recommendations

- The CoC Program interim rule requires CoC Boards to include representatives from relevant organizations and projects serving homeless subpopulations, such as persons with substance use and/or mental health disorders; persons with HIV/AIDS; veterans; people who are chronically homeless; families with children; unaccompanied youth; and victims of domestic violence, dating violence, sexual assault, and stalking.
- The CoC governing board is intended to be a large, representative group. It is generally envisioned as a network or coalition of existing organizations, entities and individuals. Here are some recommended examples of the groups, entities and individuals who should participate in a CoC per HUD recommendation:
 - Community and Faith-Based homeless service providers
 - Governments
 - Businesses
 - Advocates
 - Public Housing Authorities
 - School Districts
 - Social service providers
 - Mental Health agencies
 - Hospitals*
 - Universities*
 - Affordable Housing Developers
 - Law Enforcement
 - Organizations that serve veterans
 - The board must also include at least one individual who is homeless or formerly homeless.

Victorville Project Connect

- The San Bernardino County Homeless Partnership in conjunction with its collaborative partners will be hosting a Project Connect in Victorville on June 3, 2015, from 10:00 am to 2:00 pm at the St. Joan of Arc Catholic Church, 15512 Sixth Street, Victorville, CA.
- Project Connect outreach events are held periodically throughout San Bernardino County to provide centralized service delivery location where non-profit medical and social service providers can come together to best serve homeless and at-risk for homelessness individuals and families in need of services.
- The event will provide free dental and medical screenings, hygiene products, legal services, employment services, housing support services, child care information services, and more. Additional information regarding County related services and resources will also be provided.

Letters of Interest for CoC Renewals Performance Chart Summary

- The San Bernardino County CoC has required that any agency interested in renewing a project for funding in the 2015 HUD CoC NOFA submit a Letter of Interest (LOI) to the OHS.
- A LOI is required for all projects to be considered for submission in the 2015 CoC application to HUD but is not a guarantee of funding or inclusion in the application submitted by the local CoC.
- Renewal applicants are required to complete a LOI by answering questions related to performance and providing the required documentation in order to be considered for inclusion in the application process (see attached, Report 2B).
- One of the primary responsibilities of the CoC is to review and rank projects that demonstrate decisions based on pre-established selection criteria that were logical and fair. Criteria may include capacity to implement and manage the proposed project, experience working with the target population, cost effectiveness, etc. Communities should emphasize and rank projects based on the project's ability to articulate achievable outcome measures against which the project can be evaluated in future years. This is especially important as projects come up for renewal funding and communities must assess project performance.
- HUD also notes that it is important that renewal projects meet minimum project eligibility, capacity, timeliness, and performance standards identified in the 2015 NOFA or they will be rejected from consideration for funding. When considering renewal projects for award, HUD will review information in the Line of Credit Control System (LOCCS); Annual Performance Reports (APRs); and information provided from the local HUD/Community Planning and Development (CPD) Field Office, including monitoring reports and A-133 audit reports as applicable, as well as performance standards on prior grants.

*Housing First offers individuals and families experiencing homelessness immediate access to permanent affordable or supportive housing. Without clinical prerequisites like completion of a course of treatment or evidence of sobriety and with a low-threshold for entry, Housing First yields higher housing retention rates, lower returns to homelessness, and significant reductions in the use of crisis service and institutions.

Homeless Youth Taskforce Report Prepared for the Interagency Council on Homelessness

Date May 27, 2015

Presenter Chairman James Ramos and Brenda Dowdy, Homeless Youth Task Force Co-Chair

Announcements The table below lists the announcements for today's meeting.

Announcements
Homeless Youth Survey <ul style="list-style-type: none">The Homeless Youth Taskforce held its first Unaccompanied Youth Survey on April 8, 2015 in five areas of the County; the Morongo Basin, Redlands, Rancho Cucamonga, San Bernardino and Victorville. Youth volunteers conducted the survey and made contact with 300 youth. Currently, the Taskforce is compiling a report that will be presented in the next couple of months.
Homeless Youth Taskforce <ul style="list-style-type: none">Several members of the Taskforce including youth members participated in the California Coalition for Youth Conference in Sacramento on Saturday April 26, 2015 through Tuesday, April 28, 2015. Throughout the conference, the Taskforce received praise for its overall success on its implementation of the youth survey.Our next meeting will take place in June, date and time TBD, at the San Bernardino Transitional Age Youth Center, located at 780 E. Gilbert Street in San Bernardino.

Interagency Council on Homelessness Bills of Interest
As of May 27, 2015

1st House				2nd House							

Summary: This Bill for calendar years beginning 2015, would increase the aggregate housing credit dollar amount that may be allocated among low-income housing projects by \$300,000,000, as specified. The bill, under the insurance taxation law, the Personal Income Tax Law, and the Corporation Tax Law, would modify the definition of applicable percentage relating to qualified low-income buildings that meet specified criteria. This bill contains other related provisions.

Summary: Under the Assisted Outpatient Treatment Demonstration Project Act of 2002, known as Laura's Law, participating counties are required to provide prescribed assisted outpatient services, including a service planning and delivery process, that are client-directed and employ psychosocial rehabilitation and recovery principles. Current law authorizes participating counties to pay for the services provided from moneys distributed to the counties from various continuously appropriated funds, including the Local Revenue Fund and the Mental Health Services Fund when included in a county plan, as specified. This bill would delete the January 1, 2017, repeal date of those provisions, thereby extending the program indefinitely, and would also delete the finding requirement described above.

Summary: Current law authorizes certain foster children living in emergency shelters to receive educational services at the emergency shelter as necessary for short periods of time for specified reasons. Current law requires that all educational and school placement decisions be based on the best interests of the child. This bill would specify that the short period of time described above not exceed 5 schooldays. The bill would specify that all educational and school placement decisions are required to be based on the best interests of the child as determined by the parent or guardian, or other person holding the right to make educational decisions for the pupil.

Board Agenda Items

04/7/2015

21. Department of Behavioral Health-This item is an **AMENDMENT TO CONTRACT WITH RED CARNATION HOMES, LLC FOR EMERGENCY SHELTER SERVICES** effective July 1, 2015, for the provision of Emergency Shelter Services for DBH clients enrolled in Homeless Intensive Case Management and Outreach Services, updating current contract language and increasing the total contract amount by \$747,000 from \$2,054,250 to \$2,801,250, for the total contract period of October 1, 2012 through June 30, 2016.

Background: Red Carnation Homes, LLC provides Emergency Shelter Services for DBH clients enrolled in Homeless Intensive Case Management and Outreach Services under the DBH Homeless Program. The DBH Homeless Program is a system of emergency shelters and supportive services created as a response to the increased number of mentally ill individuals without shelter. Red Carnation provides emergency shelter services at two facilities in San Bernardino with a combined client placement capacity of 50 at a daily rate of \$41.50 per bed day. In 2015-16, Red Carnation is expected to provide services to approximately 250 clients at a cost of \$2,988 per client.

Financial Impact: This item does not impact Discretionary General Funding (Net County Cost).

Presenter: CaSonya Thomas, Director

22. Department of Behavioral Health – This item is a **NON-FINANCIAL MEMORANDUM OF UNDERSTANDING WITH THE HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO FOR THE NO CHILD LEFT UNSHELTERED PROGRAM**, for the term April 7, 2015 through June 30, 2016.

Background: The partnership between DBH and HACSB in the No Child Left Unsheltered Program demonstrates good public policy in that both agencies are leveraging limited resources in order to serve families in a holistic approach. This approach addresses the ongoing housing instability experienced by families, which is detrimental to the overall health and development of children. In addition, this program addresses the behavioral health and employment barriers experienced by the families.

Under the terms of the MOU, HACSB will work with DBH to identify eligible families making available up to 50 subsidized permanent housing units. In turn, DBH will provide intensive case management services as well as referrals for behavioral health services to support the long term stability of the families.

HACSB has dedicated ten public housing units and forty project-based vouchers and is working to secure sponsorship/funding for additional housing types to make available for eligible families. Families with children must be unsheltered at the time of application. Based on the need, DBH will provide a minimum of six months of intensive case management services per family unit to assist in identifying and removing barriers to families successfully becoming employed, housed or educated to the level needed to achieve self-sufficiency.

Financial Impact:

This item does not impact Discretionary General Funding.

Presenter: CaSonya Thomas, Director

29. Community Development and Housing – This item is an **INTER-AGENCY COOPERATION AGREEMENT BETWEEN THE COUNTY OF SAN BERNARDINO AND THE CITY OF SAN BERNARDINO FOR THE USE OF HOME FUNDS WITHIN THE HOME CONSORTIUM** for Federal Fiscal years 2014-15 through 2016-17 under the HOME Investment Partnerships Program (HOME) Consortium.

Background: In light of challenges faced by the City of San Bernardino's (City) current financial state, the U.S. Department of Housing and Urban Development (HUD) has requested the County of San Bernardino (County) administer the City's share of HOME funds by including the City in the County's HOME Consortium. The Inter-Agency Agreement is the implementing tool between the County and the City for the administration of HOME funds within the City.

HOME supports the construction of new and/or rehabilitated affordable housing units. Formation of the HOME Consortium allows for consolidation of a greater contribution of HUD funds toward qualified projects within the County's service area. HUD has identified the County's administration of the City HOME Program funds as "critical to ensuring the continued access of affordable housing funding opportunities for the City's low/moderate income residents."

Unique to the Inter-Agency Agreement with the City is the authorization to track the HOME funds directly attributable to the City's participation in the HOME Consortium (the "City's Equivalent Share") and to spend those dollars within the City's boundaries. The Inter-Agency Agreement also requires submission of qualified proposals for projects within the City limits pursuant to the same NOFA; however, the qualified City proposals would not compete with proposals outside the City's limits.

The Inter-Agency Agreement applies only to funds generated during the initial three-year Qualification Period for the Consortium Agreement, Federal FY's 2015-2017, and terminates once HOME funds received by the County and identified as the City's Equivalent Share are expended on qualified projects. If the City chooses to continue participation as a member of the HOME Consortium for subsequent three-year Qualification Periods, all standard terms of the Consortium Agreement would apply.

Financial Impact:

This item will not result in the use of any Discretionary General Funding.

Presenter: Dena Fuentes, Director

14. Department of Behavioral Health – This item is an **AMENDMENT TO CONTRACT WITH THE INSTITUTE FOR URBAN INITIATIVES FOR HOMELESS CONSULTING SERVICES** in support of the Continuum of Care Homeless Assistance Program, updating standard contract language, extending an additional year, and increasing the total contract amount by \$87,835, from \$148,150 to \$235,975, for the total contract period of August 30, 2013 through June 30, 2016.

Background: Since 2009, Urban Initiatives has assisted DBH with the preparation of the HUD CoC grant application. The grant funding is awarded and utilized by agencies providing homeless assistance to various housing and supportive services for the homeless throughout the County of San Bernardino. Urban Initiatives provides critical assistance in the development and administration of the Request for Proposals soliciting applications to be included in the CoC grant application, with support continuing through the entire preparation and submission process. In addition to the on-going consulting services, Urban Initiatives assists in the annual countywide Point-in-Time Count (PITC) of the homeless population; provides guidance for the implementation of the HEARTH Act pertaining to funding, prevention resources, and performance; conducts performance measurement training and technical assistance workshops; enters and submits data for the Housing Inventory Count and the Homeless PITC; and develop a 2-1-1 regionally coordinated centralized intake system.

This amendment will allow Urban Initiatives to continue to provide CoC consulting services and continued assistance with planning for the implementation of the coordinated assessment and centralized intake system using the current United Way 2-1-1 system.

Financial Impact: This item is funded with 50% MHSA and 50% County of San Bernardino Human Service's funds.

Presenter: CaSonya Thomas, Director

65. Transitional Assistance Department – This item is an **AMENDMENT TO CONTRACT WITH HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO FOR CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS HOUSING SUPPORT PROGRAM SERVICES** extending the contract an additional year, and increasing the total contract amount by \$1,075,906 from \$1,075,906 to \$2,151,812 for the total contract amount to \$2,151,812, for the total contract period of January 1, 2015 through June 30, 2016.

Background: Under the terms of the recommended amendment, TAD will continue to contract with the Housing Authority to provide housing and rental assistance for up to an additional 402 CalWORKS families who identify themselves as homeless, defined as lacking a fixed and regular nighttime residence; or having a primary nighttime residence that is supervised publicly or privately operated shelter designed to provide temporary living accommodations; or residing in a public or private place not designed to provide temporary living accommodations; or residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings; or in receipt of a judgement for eviction, as ordered by a court.

SB 855 (Chapter 29, Statutes of 2014) established the CalWORKS Housing Support Program (HSP). In part, the legislation requires that counties use evidence-based models, including those established in HUD's Homeless Prevention and Rapid Rehousing Program, in the implementation of the HSP. The program's goal is to assist families quickly obtain permanent housing and wraparound supports to families to foster housing retention.

Financial Impact: This item is 100% federally funded through CalWORKS.

Presenter: Nancy Swanson, Director

71. Housing Authority of the County of San Bernardino – this item is for the **APPROVAL OF REVISIONS TO THE HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO HOUSING SERVICES ADMINISTRATIVE PLAN GOVERNING THE HOUSING CHOICE VOUCHER SUBSIDIZED PROGRAMS.**

Background: Through HUD's Rental Assistance Demonstration Program (RAD), up to all of the HACSB Public Housing units will be converted to Project-Based Rental Assistance or Project-Based Voucher Assistance. The formerly Public Housing units that become Section 8 units will be subject to the rules of the applicable Section 8 program, including the funding provisions of the Section 8 program. Although the funding type will change, no financial impact is anticipated. The conversion process is anticipated to improve the reliability of long-term funding.

Working With HOST and HOPE
<p>Over the past several weeks the Housing Authority has increased its collaborative efforts in working with the Sheriff's Homeless Outreach Proactive Enforcement (HOPE) and Department of Behavioral Health's (DBH) Homeless Outreach Support Team (HOST).</p> <p>The collaboration has focused on streamlining criminal background screenings for applicants to the Housing Authorities homeless programs and brainstorming on how to eliminate barriers and reduce bureaucracy that can create hardship.</p> <p>Throughout all of its programs, the Housing Authority encourages all persons in need of housing to apply to available programs. In reviewing criminal background the Housing Authority considers relevant circumstances when considering denial of assistance; such as mitigating circumstances or rehabilitation.</p> <p>In the Shelter Plus Care program, the supportive services provided by DBH help address past incidents and provide rehabilitation support.</p> <p>In addition to discussions around criminal background screenings, the joint meetings have been an excellent opportunity to discuss the various activities of the different stakeholders and share information about the variety of homeless programs throughout the county, as well as discuss ways to address barriers to housing placements for homeless persons.</p> <p>In particular, the need to increase bridge housing options, and continue to strengthen partnerships, between County departments as well as community agencies, that often serve the same population. The Housing Authority looks forward to continuing this enhanced collaboration effort to better serve our homeless community.</p>

SPECIAL SESSION	PRESENTER	ACTION/OUTCOME
Strategic Planning Workshop Performance and Education Resource Center (PERC)	Tina Wright-Ervin	<ul style="list-style-type: none"> Vision - the San Bernardino County Homeless Partnership (SBCHP) believes that everyone deserves a home. To this end, the 10-Year Strategy to End Homelessness was developed as a blueprint for ending homelessness county-wide. Purpose – the SBCHP is to end chronic homelessness and reduce the instance of episodic homelessness in the County of San Bernardino. This will be accomplished through collaborative partnerships with Federal, State, and local Governments, social service agencies and community and faith-based organizations.

Strategic Planning Workshop Performance and Education Resource Center (PERC)	Tina Wright-Ervin	<ul style="list-style-type: none"> • In September 2007, the San Bernardino County Homeless Partnership (SBCHP) was formed to provide a more focused approach to our goal of ending homelessness within the County. The Partnership consists of city governments, community-based organizations, faith-based organizations, educational institutes, non-profit organizations, private industry, and Federal, State, and local Government and as a result the Interagency Council on Homelessness ICH was created. • In 2013 there was a recalibration, revisiting the 10-Year Strategy. In the original plan there were 25 recommendations of which some had been completed and reduced to 11 recommendations. • The 2015 Point-In-Time (PITC) Count Final report was recently posted and included five recommendations that were offshoots of the 10-Year Strategy. The five recommendations include: <ul style="list-style-type: none"> ➢ End homelessness among veterans at the end of 2015. ➢ Promote a zero tolerance policy for children living on the streets, in vehicles or other places not meant for human habitation. ➢ Develop a Coordinated Entry System. ➢ Continue to implement a Housing First approach primarily for chronically homeless persons and families. ➢ Continue to implement a Rapid Re-Housing approach primarily for non-chronically homeless persons and families. • Based on the work that has been done to date, below are some recommendations for moving forward: <ul style="list-style-type: none"> ➢ Implementation, communication, populations served, partnerships, outreach, evidence, collaboration, ending homelessness, action, housing first, education, refining, hope, measurable outcomes, navigation and coordination, regional inequality, bridging gaps, housing for all, trust, everyone deserves a home, etc. • Some challenges that the group has faced is the lack of political backing for the entire County. The East Valley region continues to grow, however the lack of funding remains an issue including the loss of redevelopment monies. The lack of infrastructure has also been a concern including city regulations and building closures. Loss of redevelopment and loss of reduction are barriers that may agencies have faced in recent years. The overall question seems to be how we will address the many challenges discussed
Process Overview		<ul style="list-style-type: none"> • The overall process will include recommendations, prioritizing and assignment. This will include the 11 recommendations from the recalibration and the 5 recommendations from the 2015 PITC Final Report. The ultimate goal of this process will include measurable outcomes; short, medium and long term. Once completed, the next step will be action planning and goals should include quantitative and qualitative data and also be built into each plan. The final step will include documentation, accountability measures, who will ensure recommendations are being met, etc.
Recommendations from the Recalibration and 2015 PITC Final Report		<ul style="list-style-type: none"> • Veterans Affairs Supportive Housing (VASH); in the 2015 PITC Final report, the recommendation was to end homelessness for all veterans by the end of 2015. • Homeless Prevention and Resources and Services • Community Outreach and Education Campaign, • Homeless Management Information System (HMIS); the recommendation from the 2015 PITC Final report was to implement a Coordinated Entry System (CES) • Shelter Plus Care Certificates • Permanent Supportive Housing beds • Rapid Re-Housing Strategy; the recommendation from the 2015 PITC Final report is to continue a Rapid Re-Housing approach primarily for non-chronically homeless persons and families and promote a zero tolerance policy for children living on the streets, in vehicles or other places not meant for human habitation. • Mainstream Resources • Adopt and Implement a Housing First Model; the recommendation from the 2015 PITC Final report is to continue to implement a Housing First approach primarily for chronically homeless persons and families.

Recommendations from the Recalibration and 2015 PITC Final Report	Tina Wright-Ervin	<ul style="list-style-type: none"> • Community Outreach, Engagement, and Treatment for Chronically Homeless Individuals and Families • Formalize Protocols and Implement the Coordination of Discharge Planning • All recommendations are based on best practices and proven outcomes from other outer lying areas that are currently implementing them.
Voting Categories Report		<ul style="list-style-type: none"> • All committee members voted on the above categories based off of immediate need. Below are the results of those categories: <ul style="list-style-type: none"> ➢ Rapid Re-Housing received a total of 9 votes. ➢ Permanent Supportive Housing Beds received a total of 8 votes. ➢ Community Outreach and Education Campaign received a total of 3 votes. ➢ Mainstream Resources, Homeless Prevention Resources and Services and Adopt and Implement a Housing First Model received 2 votes each. ➢ Community Outreach, Engagement, and Treatment for Chronically Homeless Individuals and Families received 1 vote. • Categories receiving no votes are as follows: <ul style="list-style-type: none"> ➢ Veterans Affairs Supportive Housing (VASH) Vouchers. ➢ Shelter Plus Care Certificates. ➢ Formalizing Protocols and Improve the Coordination of Discharge Planning. ➢ Homeless Management Information System (HMIS).

What is Recuperative Care?

Recuperative Care (aka Medical Respite) provides care to homeless persons recovering from an acute illness or injury, no longer in need of acute care but unable to sustain recovery if living on the street or other unsuitable place.

72 Nationwide

Tremendous Opportunities Exist to Better Manage Patient Care for Patients Discharged From Acute Care Hospitals

Currently there are 47.6 million Medicare beneficiaries with an estimated 9,100 individuals added to the program each day.⁽¹⁾

Recuperative care is a cost-effective way to provide needed aftercare to homeless patients recently discharged from acute care hospitals and reduce recidivism.

1,921

patients served were in a caring and supportive environment and received:

- Case management and Counseling
- RN/LVN oversight with medical plan of care
- Connection to social service resources such as ID cards, SSI/SSDI, GR and Food Stamps are offered
- Three healthy meals a day
- Transportation to appointments

Improved Healthcare

- ✓ Improved clinical outcomes as RCC allows for further patient stabilization
- ✓ Allows hospitals to discharge along appropriate continuum of care provider
- ✓ Improved patient satisfaction ratings

Improved Access to Care

- ✓ Improve access for homeless and housing insecure to healthcare and mental healthcare
- ✓ RCC connects patients to resources and agencies in the preferred exit destination
- ✓ RCC's core competency is ensuring successful care transitions for homeless

Reduced Cost

- ✓ Reducing ALOS in the hospital by providing safe discharge option (4 avoidable inpatient days)
- ✓ Reducing the number of denied days from payers to providers
- ✓ Allows hospital to move patients' care along the continuum to a lower cost model that is timely and safe, enabling hospitals opportunity to generate new revenues from open beds
- ✓ Reducing readmits: RCC connects patients to medical home/PCP and reinforces patient utilization
- ✓ Fulfills obligations of non profit hospitals to invest in health and healthcare in the communities they serve
