9:00a.m. - 5:00p.m.

LOMA LINDA  
UNIVERSITY

School of Public Health

The Proven Practices conference objective is to bring leaders from successful programs from around the nation to the Inland Empire. This will help local service providers learn methods that are proven to reduce homelessness. Workshops focusing on research, policy, practice, and resources will benefit local programs. Providers will be able to network with one another and bring collaboration to the forefront in San Bernardino County.
