Reasons why project is exempt: The proposed project meets the Categorical Exemptions guidelines and has been determined to be exempt from the provisions of the California Environmental Quality Act (CEQA). The project has been found categorically exempt per Section 15301(e): "Additions to existing structures provided that the addition will not result in an increase of more than: (1) 50 percent of the floor area of the structures before the addition, or 2,500 square feet, whichever is less; or (2) 10,000 square feet if: (A) The project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan and (B) The area in which the project is located is not environmentally sensitive."
