

# 2017 Summer Explorers Camp

## San Bernardino County Museum

2024 Orange Tree Lane, Redlands, CA 92374 • 909-798-8608

The San Bernardino County Museum invites your child to join us for our Summer Explorers Camps, a series of four-day immersive experiences themed around exciting science-based topics. Each week summer explorers will:

- Be introduced to real-world, science-based topics like food & nutrition, animal behavior, earthquakes and forensics in a fun, exciting, playful, and structured environment.
- Gain skills and knowledge through exploratory and participatory activities.
- Play outdoor games and establish life-long friendships.
- Develop cooperative and team building skills.

For students ages 7 to 10 years old. Cost: \$155/session • \$135/session (Museum members)  
Times: 9:00-12:30 Tuesday-Friday

### Session 1—June 13-16: **You Are What You Eat: Food and Nutrition**

From hunter-gatherers to supermarkets, what does what you eat say about you? Learn how different people have adapted to their environment and adapted their environment to meet their needs by prepping your own food! What does nutrition have to do with you and what foods will you learn to cook in camp that keep you healthy?

### Session 2—June 20-23: **Amazing Animal Superpowers**

Join us for a weeklong discovery into the amazing world of animal adaptations. Explore the cool, weird, and sometimes gross super powers that different animals have and how it helps them to survive and thrive in the wild. Get up close with these furry and sometimes scaly friends.

### Session 3—June 27-30: **Whose Fault is It Anyway: Shake it Up**

Explore how earthquakes happen, create and measure your own mini-earthquakes, and learn what fossils and rocks can teach us about how our county's geology determines our potential for earthquakes. What are the different fault lines throughout San Bernardino County and how can you and your family can always be prepared when the shakes start?

### Session 4—July 11-14: **Giant Beasts of the Ice Age**

What clues can we dig up from the past? Do you have what it takes to be a paleontologist? Join us in a mock excavation! Learn what Ice Age animals once lived in your backyard!

### Session 5—July 18-21:

#### **Crime Scene Investigation, Forensics Museum Edition**

Become a detective for a week and learn the secrets of crime scene investigation! Using forensic science, uncover evidence to help figure out whodunit.

### Session 6—July 27-30:

#### **Best of Summer Camp Sampler for Kids on the Spectrum**

In a specially tailored camp designed for children on the Autism Spectrum (ASD) explorers will experience a highlight week of activities from the previous camps. Encouraging and supportive at all skill levels, the camp is focused on interests and social skills building. Parents, caregivers and aides are welcome to attend the class or spend time steps away in the museum enjoying our exhibits.

# San Bernardino County Museum Summer Explorers Camp 2017 Registration Form
