Summer movie series opens at the Victor Valley Museum

“Wrinkle in Time” first in the summer lineup

Join us for popcorn and movies this summer! The Victor Valley Museum’s summer movie series starts on Saturday, July 29, with a screening of the 2018 film “Wrinkle in Time.” The film will start at noon, and the movie and refreshments are included with museum general admission.

“Wrinkle in Time,” released into theaters in 2018, tells the story of Meg, her brother, and her friend who search for Meg’s scientist father across the universe, with the help of three magical beings. This PG-rated fantasy adventure film is based on the book by Madeleine L’Engle. The New York Times said, “‘A Wrinkle in Time’ is demonstratively generous, encouraging and large-spirited. Though it is full of bright colors and passages of visual dazzle, it trusts words more than images, spelling out messages about love, courage and self-acceptance.”

On August 10, the series continues with “The Cowboy and the Senorita,” the 1941 classic B western that marks the first appearance of Roy Rogers and Dale Evans together on the silver screen. “Paddington 2” will screen on Saturday, August 25.

Summer movies at the Victor Valley Museum and the County Museum’s other exciting events and exhibits reflect the effort by the Board of Supervisors to achieve the [Countywide Vision](#) by celebrating arts, culture, and education in the county, creating quality of life for residents and visitors.”
