San Bernardino, Ca. 92415

# SAN BERNARDINO COUNTY FIRE

**DUTY, HONOR, COMMUNITY...**

# Where Courage, Integrity and Service Meet

## THE DEPARTMENT

The San Bernardino County Fire Department is an All Risk/ Full Service Department committed to providing the highest level of service in the most efficient manner to the citizens and communities we serve. At more than 20,160 square miles, San Bernardino County is the largest county in the continental United States, and our jurisdiction encompasses 17,432 square miles of extremely diverse environments.

Our jurisdiction encounters hazards that include floods, fires, earthquakes, and train derailments, among others, that can impact highly urbanized metropolitan areas, industrial centers and our portion of the major interstate highway and railroad transportation corridors that serve Southern California. We are also home to major entertainment venues such as the San Manuel Amphitheater and the Auto Club Speedway. Our mountain resort areas, the Colorado River and vast high-use recreational desert lands underscore our diverse geography.

In addition to the engine and truck companies, the Fire Department maintains aircraft rescue units, boats, command posts, bulldozers, hazardous materials vehicles, urban search and rescue vehicles, snow cats and swift water rescue equipment.
