

FISCAL SPECIALIST

Description:

Under general supervision performs fiscal duties and work in support of accounting processes. Work involves verifying, auditing, classifying, processing, tracking, posting and reconciling payroll, accounts payable, travel claims, tax matters, a variety of billings, payments, reimbursements, accounts receivable, public assistance grants, and trust accounts.

Distinguishing Characteristics:

Positions are classified to Fiscal Assistant or Fiscal Specialist on the basis of the types of tasks performed the complexity and frequency of those tasks, the degree of independence exercised and the decisions made in performing those tasks. Assignments will vary from unit to unit and will often require knowledge of specific department procedures and practices. Positions are typically responsible for an aspect of the fiscal process or function, or may be responsible for the overall fiscal duties of an office, such as an outlying office location. The primary focus is performance of fiscal related support activities.

Fiscal Specialist is the specialist or advanced level in the series. Positions in this class work under minimal supervision and have a high degree of control over the final work product, which requires interpretation and application of multiple and/or complex policies, procedures and regulations and resolution of complex financial and accounting problems. The complexity of the work product, the level of independence exercised and the degree of accountability are the primary factors for allocation at this level. Incumbents exercise initiative in anticipating or identifying problems or errors and follow-up to resolve, or forecast the impact of potential actions/decisions. Incumbents serve as a resource to staff, act as an expert on the accounting system(s) used, perform final reviews of purchase orders, claims, payroll and other accounting documents and may serve as a lead, reviewing and checking work done by others.

Duties may include, but are not limited to:

1. Reviews and audits accounting documents such as invoices, requisitions, purchase orders, bills, warrants, claims and other documents for arithmetical accuracy, completeness, and adherence to county policies and procedures, agreements and contractual requirements; verifies totals and availability of funds before processing.
