Every effort will be made to accommodate your preferred date and time of training. However, scheduling will depend upon staff availability at the time of the request.

FEE ACKNOWLEDGEMENT

The fee for fire extinguisher training is \$374.00 for the first hour, and \$131.00 for each additional hour. One (1) hour of training can typically accommodate up to twenty-five (25) participants. This fee pays for the Trainer's time and supplies.

This fee presumes that you will provide your own fire extinguishers. If the San Bernardino County Fire Department provides the fire extinguishers, you will be billed for the actual cost of refilling any Department extinguishers used. It is highly suggested that you coordinate the training date with your fire extinguisher servicing date in order to use your extinguishers and then have your fire extinguisher servicing company service and recharge your extinguishers after the training.

You will be contacted upon receipt of this request with an estimated training cost. Payment must be received in the form of a check, cash or money order no later than 7 working days prior to the date of the scheduled training or training dates may be rescheduled. Checks and money orders are to be made payable to "San Bernardino County Fire Department". County departments wishing to pay via a warrant must advise the scheduling clerk prior to scheduling the training.

I acknowledge that the quoted fee for this training is an estimate based on information that I have presented. If training times should exceed the amount paid, I understand that I will be billed for any additional training time provided and agree to pay the amount billed.
