SECTION 2 PUBLIC REVIEW OF THE DRAFT ENVIRONMENTAL IMPACT REPORT

2.1 LIST OF PERSONS, ORGANIZATIONS, AND PUBLIC AGENCIES COMMENTING ON THE DRAFT EIR

Per Section 15105(a) of the State CEQA Guidelines, a DEIR submitted to the State Clearinghouse for review by State agencies shall have a review period, "...not less than 45 days." The public review period the DEIR extended from September 22, 2006 to November 13, 2006, a period of 48 days. The public review period for the DEIR exceeded the minimum required by CEQA. The Draft EIR was properly noticed and distributed and was available at San Bernardino County offices in San Bernardino and Victorville, the Barstow branch of the San Bernardino County Library, and the Hinkley Senior Center. Additionally, the document was available in its entirety on-line at the County's website. Responses were received via mail, e-mail, and fax.

The persons, organizations, and public agencies that submitted comments regarding the Draft EIR through November 13, 2006, are listed below. A total of 230 comment letters were received. The majority (209) were received from individual citizens. Fourteen (14) comment letters were received from public agencies and seven (7) comment letters were received from organizations.

Comment letters from agencies are listed alphabetically. Letters from organizations and individuals are listed generally in the order that they were received. The County accepted a number of letters subsequent to the close of the public review period. While responses to comments received after the close of the public review period is not required, to ensure the thorough consideration of public opinion, these comments have been responded to in full.
