The Proposed Action is a revision to the existing Apple Valley Clay Mining Conditional Use Permit and Reclamation Plan to pursue the balance of mineral reserves in phases of approximately 6-acres each along with site reclamation. The proposed revision includes: 1) an extension of time to allow for continued mining until 2030 and reclamation until 2035; 2) improved standards for on-site drainage; and 3) improved standards for revegetation before reclamation closure.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X". If you have already sent your document to the agency please denote that with an "S".

- Air Resources Board
