San Antonio Heights Cleanup Moves to New Spot

San Bernardino County Second District Supervisor Paul Biane would like to remind San Antonio Heights residents that the Community Cleanup being held on Saturday, March 14 will be in a different location than past cleanups.

County residents can dispose of trash, tires and other garbage for free in containers that will be located along Mountain Avenue south of 25th Street. The containers will be available from 8 a.m. to noon on Saturday on a first-come, first-serve basis or until filled. Past San Antonio Heights cleanups were held in the parking lot of a local business, but this space was not available for the cleanup.

“This is a great opportunity for residents to get a jumpstart on their spring cleaning,” said Second District Supervisor Paul Biane, who represents the San Antonio Heights community.

Residents can dispose of tires with rims removed as long as the tires do not exceed 11 inches by 25.5 inches. Residents planning to bring 10 or more tires should call (909) 387-0289 to make arrangements before the Community Cleanup.

Hazardous materials including motor oil, TVs, computer monitors, batteries, paint, chemicals, pesticides, drain cleaner and furniture polish will not be accepted. Call (800) 645-9228 for information about local hazardous waste disposal options. Commercial waste will also not be accepted.

County Supervisor Paul Biane, Code Enforcement, and Solid Waste regularly organize Community Cleanups to help discourage illegal dumping, which continues to be an issue in San Antonio Heights and throughout the County.
