## **San Antonio Heights Cleanup Planned**

San Bernardino County Second District Supervisor Paul Biane encourages San Antonio Heights residents to take advantage of a free Community Cleanup event that will take place on Saturday, Sept. 19 in the old Albertson's parking lot on Euclid.

County residents can dispose of trash, tires and other garbage for free in containers that will be located at 2419 Euclid Avenue. The containers will be available from 8 a.m. to noon on Saturday on a first-come, first-serve basis or until filled.

"This is the final cleanup of the year for the San Antonio Heights community, so if you have anything you want to dispose of, Saturday is the time to do it," said Second District Supervisor Paul Biane, who represents the San Antonio Heights community.

Residents can dispose of tires with rims removed as long as the tires do not exceed 11 inches by 25.5 inches. Residents planning to bring 10 or more tires should call (909) 387-0289 to make arrangements before the Community Cleanup.

Global Surplus Solutions – an e-recycling company – will be on hand to accept used electronic items such as TVs, computer monitors and cell phones.

Hazardous materials including motor oil, batteries, paint, chemicals, pesticides, drain cleaner and furniture polish will not be accepted. Call (800) 645-9228 for information about local hazardous waste disposal options. Commercial waste will also not be accepted.

County Supervisor Paul Biane, Code Enforcement, and Solid Waste regularly organize Community Cleanups to help discourage illegal dumping, which is an issue in San Antonio Heights and throughout the County.
