## Health and Safety Fair Planned for Saturday in Fontana

**FONTANA** – San Bernardino County Second District Supervisor Paul Biane invites residents to the 7<sup>th</sup> annual Health and Safety Fair being held from 10 a.m. to 2 p.m. on Saturday at Jack Bulik Park in Fontana.

“The Health and Safety Fair provides a great opportunity for residents to get free health screenings for diabetes, high blood pressure, and other health problems,” Biane said. “It’s also a great chance for families to personally meet some of the firefighters and law enforcement officers who keep their community safe day in and day out.”

The Second District Health and Safety Fair will feature free health screenings, safety information, emergency response demonstrations, face painting, children’s activities, and more. Free health screenings at the fair will include blood pressure, blood glucose, vision, and body fat tests. Nearly 8,000 residents attended the fair last year.

The event will also feature a martial arts demonstration, the Inland Empire 66ers dance team, a BMX stunt show, and other entertainment.

Call the Second District office at (909) 945-4297 for more information about the fair. Jack Bulik Park is located at 16581 Filbert Ave. in Fontana.
