Board Lends Support to Fontana Boys and Girls Club Fundraiser

SAN BERNARDINO – On Tuesday, the Board of Supervisors approved a \$5,000 allocation to help support an annual Fontana community fundraiser that has raised tens of thousands of dollars for public projects and programs.

The City of Fontana has hosted the Mayor's Gala for the past seven years to raise money for a variety of community projects. Last year, the event raised more than \$60,000 for the Lewis Library and Technology Center. Proceeds from this year's gala will be donated to the Fontana Boys and Girls Club.

"County support for the Mayor's Gala will translate directly into additional funding for the Fontana Boys and Girls Club by helping cover some of the costs of the event," said Second District Supervisor Paul Biane, who requested the \$5,000 allocation from his district's priority policy needs budget. "The Boys and Girls Club is a great resource for the City's youth, and I'm proud to continue my support for this priceless community organization."

The funding will be transferred to the Boys and Girls Club to help pay a portion of the audio visual costs for the Mayor's Gala, which will be held on Sept. 26 at the Jessie Turner Health and Fitness Community Center. The theme of this year's gala is "Experience an Evening of Tropical Elegance."
