Yucaipa Valley Regional Sports Complex Lighting Improvements

SAN BERNARDINO, CA – The San Bernardino County Board of Supervisors agreed to enter into an agreement with the City of Yucaipa to design and construct lighting improvements at the Yucaipa Valley Regional Sports Complex.

“A more efficient and permanent lighting system will provide our youth and sports leagues expanded recreational opportunities,” stated Supervisor Neil Derry.

The County of San Bernardino will initially fund the project that should not exceed \$346,500 and will subsequently be reimbursed via United States Department of Housing and Urban Development (HUD) grant that was awarded to the city.
